

Fifty Dollars Reward.

RAN away from the subscriber, about the 26th May last, a young negro man, 21 years of age, named DANIEL, about 5 feet 8 inches high. He stammers very much when spoken to. When he walks he carries his head back uncommonly—his complexion is very black—had on when he went off, a short gingham coat, striped red and yellow, and a white dimity vest. In all probability he may change his clothes. Thirty dollars will be given to any person who will take him up within the state where the subscriber resides, and the above reward if he is secured out of the state. The owner may get him again. All reasonable charges will be paid and every extra expense to any person who will bring him home.
