

\$20 Reward.

Ranaway from the subscriber on or about the 29th July last, a negro boy called FRANK, aged about 16, formerly the property of John M. Wise, of Talbot county. This boy was hired to Robert Dawson, of said county, and left the employ of said Dawson on the day above mentioned. This boy I purchased at public sale. I will give the above reward if said boy be secured in the jail of said county, or delivered to me, and all reasonable charges paid. It is most likely this boy has made for Poplar Island, as his former master now resides on said Island.

JOHN A. HORNEY.
