

40 dolls. Reward.

Ranaway from the subscriber, on Sunday night last, a negro woman named **ARRIETTA**—is of a yellow complexion, small face, very polite when spoken to, has had a sore on her great toe which causes her to limp. She was formerly the property of Parson Laird's heirs, and was purchased of John C. Henry. She has lived at Vienna, where she has relations; she also lived with Mrs. Allen Vane, near Craft's mill—She was formerly from Somerset county. I will give forty dollars if taken out of the county, and 20 dollars if in the county, if secured in any jail so that I get her again.
