

# **\$150.00 REWARD.**

**R**ANAWAY from the subscriber, on Saturday, the 2d instant, a negro man, named

## **Richard Pinckett,**

aged about 35 or 40 years. He is of a dark chesnut color, about 5 feet 6 or 8 inches high; has received a hurt in one of his eyes which occasions him to show a great deal of the white of it when speaking, and has the appearance of squinting. He is square built, with a remarkably large and prominent rump; short and thick legs, and rather bowed. He had a suit of mixed cassinet, nearly new, say jacket and trowsers, of a dove or light blue color. The jacket, I believe, had cut-steel buttons on it.

Fifty dollars will be given for his apprehension in this county, and \$100.00 if taken out of the county or in the State of Delaware; if taken out of Delaware and Maryland, \$150 will be given. The said negro Richard, (commonly called Dick Pinckett,) has a wife at Mr. Jacob C. Willson's, at Upper Hunting Creek, in Caroline county.
