

# \$100 REWARD.

**R**ANAWAY from or left the schooner Lake and John, at Delaware City, on the 20th instant, a negro man, named *JACK McNAMARA*, aged 35 or 40 years, of dark complexion and large and robust stature, five feet nine or ten inches high. He took with him a new white flat-crowned hat, and other clothing of the sailor fashion, not particularly known. I hired Jack of the late John McNamara, Straits Hundred; and will give the above named reward to any one taking up said negro and securing him so that his owners or I get him again.
