

ONE HUNDRED DOLLARS REWARD,

Ranaway from Jacob C. Wilson one of the subscribers, living near Upper Hunting Creek Caroline County, (Md.) on Saturday the 5th September, 1835, a negro woman who calls herself

MILLY PINKETT,

The above negro is apparently from 35 to 40 years of age, and of a dark color. She is very large and fat with an erect walk and forbidding appearance. No particular marks upon her person recollectd, except that one lock of her hair in front, is grey, the rest has not changed its hue. The clothing she had on when she went off, is not recollectd, but she took a good supply with her. It is supposed, she has made her way through Delaware, intending to reach New Jersey or Pennsylvania. The above reward will be given, if she is apprehended without the limits of the State, or so if taken in the State. To be entitled to the reward, she must be delivered in the Easton or Cambridge Jail.
