

\$150 Reward.

Ranaway on Saturday night 15th inst., (during the absence of his owner, Capt. Coward,) a negro man, named

JOHN BOZMAN.

John is about 21 years of age, but looks several years older—about 5 feet 11 inches high—stout built—and altogether a fine looking negro. His color is black—with very black eyes—broad, flat nose and well formed mouth. He has a scar on his right cheek, from a cut and talks very fast. The above reward will be given for his apprehension and delivery at the Jail in Easton if he is taken out of the State; \$100 if taken within the State and out of the county; or \$50 if taken within the county.

ELIZA COWARD, for
Capt. Thomas Coward.
