

TWO HUNDRED DOLLARS REWARD.--

Ran away from the subscriber's farm, near Rockville, Montgomery county, Maryland, on Friday, the 13th instant, negro man **JOHN**, calling himself John Handy; he is about six feet high, stoutly built, very black, and about twenty-five years old; two of his fingers are slightly contracted, the result of an incised wound received some years past in the arm, but I do not recollect whether the wound was inflicted on the right or left arm; his lips are large and protuberant, and he is generally insolent when spoken to.

I will give two hundred dollars if taken in any free State, or fifty dollars no matter where taken, provided he be secured in jail so that I get him again.
