

FIFTY DOLLARS REWARD.—Ran away from the premises of Mr. Thomas Perkins, on Thursday last, a bright mulatto boy named NED. He is about seventeen years old, five feet six or seven inches in height, and well proportioned. He wears his hair long, and his features are prominent. I will give twenty dollars for his apprehension, if taken in the District or Prince George's county, and the above reward if taken elsewhere. Address me at Alexandria, Va.
