

\$50 REWARD.—Ran away from the subscriber, in the city of Washington, on the 9th inst., a **YELLOW WOMAN**, named **ELIZA BROGDON**, aged about 22 years. She is of medium height, very stout and the fore-finger of her right hand is quite sore, having been recently lanced.

She is an intelligent servant, being able to read and write well, and may have papers prepared by herself. She is probably concealed in Washington, but may be in or about Annapolis, Baltimore, or Rockville, Montgomery county.

The above reward will be given to any one who will return her to me, or who will secure her so that I may get her again, or one half that sum for information that may lead to her recovery.
