

**\$150 REWARD.**--Ran away from the subscriber, living in Dorchester county, Eastern Shore of Maryland, about the 1st of May, a NEGRO GIRL, called JANE PENNINGTON, aged about twenty years, of medium height, of a bright chesnut color, and is a neat, delicate looking girl; talks sharp and has a fine voice. She left Tobaccosuck the first of May to visit Baltimore, and has not since been heard of. The probability is she has gone towards New Bedford, as she has a father living there. The above reward will be paid for the return of said girl to me, or in Baltimore jail, so I get her again.

MARY JONES,

Tobaccostick, Dorchester county.
