

ONE HUNDRED DOLLARS REWARD.

The subscriber will pay One Hundred Dollars reward for the apprehension of JOHN BRISCOE so that he gets him again. He ran away without any known cause to me, ten days ago. His complexion is very black; about five feet seven inches in height; speaks slow when talking. He was purchased from Michael B. Carroll's estate, near Nottingham. Has a wife at Dr. Skinner's, near the same place. He will, no doubt, endeavor to make to the North.
