

\$600 REWARD.—Ran away from the subscriber, on Saturday night last, two **NEGRO MEN**, called **DENARD HUGHES** and **TOM ELLIOT**.

DENARD is a very likely man, of dark chestnut color, stout built, with black whiskers; aged about 30 years; had on when he left a white hat with broad black band; his clothing is not recollected.

TOM is of ordinary size, about five feet six inches high, of a dark chestnut color, aged about 24 years; his clothing is not recollected. They both have rather a down look when spoken to.

TOM has an uncle near Wilmington, called **Moses Pinket**.

The above reward will be given for these Negroes if taken out of the county, or \$100 for either if taken in the county. In either case they are to be lodged in Cambridge jail, so that I get them again.
