

FIFTY DOLLARS REWARD.—My servant CLEM, left home Tuesday, August 16. For the last four years he has driven my carriage, and has been much in Washington city during that time, where he has many acquaintances. I think it probable he is now in the District of Columbia. He is about 22 years of age, black complexion, 5 feet 7 or 8 inches in height, slightly made, and has rather a full mouth; he is very quick and ready in his replies, and not easily confused. He had no winter clothing with him when he left home. If caught beyond Prince George's county I will give \$50 reward, if in the county \$25. In any case he must be secured in jail.
