Re: Survey of The Wharf at Handy's Point

Dear Bill:

I have enclosed a copy of an old survey of The Wharf at Handy's Point for your information. We would like for you to complete a survey of this location starting from Green Point Road and following the abandoned property line to the waters edge and going along the shoreline around the point and marina and back to Green Point Road. We would like for you to also mark on the survey: the barn, septic field, access road off of Green Point Road that goes along the dam and the road that is cut through the woods down to the point. I have highlighted and labeled these items on the enclosed survey.

We would like to have this survey as soon as you can and if you have any questions please feel free to contact me at (732) 938-4004 extension 2053.

Very truly yours,

GREEN POINT FARMS, L.L.C.
