SUMMARY OF KENT COUNTY PROPERTIES

PARCEL 1

Agrico sold all of Parcel 1, a tract in Massey, to Flo-N-Gro by deed EHP 82/421

PARCEL 2

JTD 18/223 Hubbard to Peerless Fertilizer by general description, part of JTD 2/420. A crude plat of this last deed is on record.

RAS 22/164 Peerless to Peerless in 2 parcels from a survey by Marion deK. Smith. This involved lines of agreement with Hubbard.

EHP 43/354 and EHP 43/357 involved a trade of land with Washington College to allow the college access to the river from its boathouse. The land acquired from Washington College is Parcel 3.

WHG 39/394 Peerless to S.R.C. (S.R.C. Plat #10797). Not only does this not take any land from Peerless, but the right-of-way line at this point is 5' closer to the center of the road than was described in the Peerless deed.

PARCEL 3

Land from Washington College- see Parcel 2.

PARCEL 4

RAS 27/295 Massey & Wilmer to Peerless conveys all of Parcel 4

WHG 2/73 Peerless to D & R Supply Co. conveys all of Parcel 4 except the lot at the end of Cross St.

WHG 3/178 Peerless to Kibler conveys the lot on Cross St. to

CONCLUSION: The only land that Agrico owns in Kent County is the two parcels described RAS 22/164 plus Parcel 3 minus the tract sold to Washington College.

SUMMARY OF QUEEN ANNES COUNTY PROPERTIES

Agrico, or its predecessor, acquired 2 parcels, one of 6.611 acres and one of 0.309 acres. It sold off 0.380 acres which was all of the 0.309-acre tract plus a small part of the other. It later sold 0.219 acres ou of the larger tract. On January 15, 1980, Agrico sold to Arthur H. Kudner, Jr. by deed MWM 161/187. This last deed is described in four parcels from a recent survey by Davis Kirby, but it includes everything that Agrico owned in the area. As far as I can tell, the company has no holdings in Queen Annes County.
