Mr. Charles Leager
Lieby Road
Church Hill, Md. 21623

Dear Mr. Leager:

Enclosed are copies of the plat of my survey of your property on Granny Branch Road. There are several problems involved other than the normal discrepancies in dealing with old compass surveys.

There is a small triangular tract at the southwest corner of your property that is not included in any of the deed descriptions that I could find. I have shown it as "Ownership Unknown". The major problem, however, is the ownership of the land along the road, originally thought to belong to Mr. Stubbs. I ran the title on this last tract, and my findings are as follows:

1. In 1895 James E. John bought what is now the Stubbbbfarm from the estate of William Elliott (WHC 4/1). This included land on the east side of Granny Branch Road.
2. John sold what he owned on that side of the road (Parcel 3 of your description) to Pere Story (JEG 4/526).
3. The John farm passed down to Elizabeth J. Donnelly who sold it to . Stubbs (TSP 62/543). The description in this deed was from a survey by J. B. Metcalfe (TSP 17/29). Mr. Metcalfe was apparently unaware of the conveyance from John to Story, and his survey included the land on the east side of the road.
4. Story sold the land in question to Wm. S. Daniels (SS 3/209), Daniels sold to Fred M. Seney (JFR 5/87), Seney sold to Charles Gibbs, and G Gibbs sold to George Stubbs (BHR 18/217)
5. There was a tax sale of the Stubbs property (ASG Jr. 3/70) where the county sold the land to Walter Dickinson, Dickinson sold to Harry E. Walls (ASG, Jr. 9/514), and Walls sold it as Parcel 3 to Charles E. Le Leager (NBW 7/246).

In spite of the fact that the tax maps and a recent survey by Ronald Schrader indicate ownership by the Stubbs of a parcel of land on the east side of Granny Branch Road, it is my conclusion that you own all of the property shown on my plat. If there are any questions, please give me a call.

Sincerely yours,

cc Ivan L. Stubbs
