Dear Bill,

You have been much help to this family over the years - and we need your help again.

The sewer systems for Tolchester will be started soon. We'd like to try and sell the buildable lots that we have. As you know, the plans are to connect only to serve homes that currently exist - them come up with a plan of some sort that would allow only 40 new homes to be built. How they will decide who gets these 40 rights - no one knows. We did write the Sanitary Commission - copy to the Commissioners - listing about 9 buildable parcels we'd like sewer allocations for - over a year ago. We'd hope they will consider this.

Meanwhile, the Sanitary Commission asked for a right-of-way on our "back lane" from Bayshore Road into the Estates - which we've agreed to. In return they have given us two sewer tie-ins to be used where we wish.

We've tried to figure out the most saleable two lots to use these allotments for - not knowing whether we will get more. We'd like you to do some surveys for us therefore. You've already kindly gone around some of these with Dolly.

Need to be surveyed:

Block 3K Lots 13 thru 39 and 2 thru 40 - as one saleable lot.

Block 5K Lots 27 thru 39 and 22 thru 40.- as one saleable lot. Exception - We would like to keep a six foot strip along New Jersey Avenue which would keep any buyer from access to this street. We would like your survey and drawing to reflect this.

Block 4L Lots 13 thru 19 and 25 thru 39 and lots 18 thru 40 all as one parcel. We do not own lots 21 and 23.

Block 3L Lots 31 thru 35 and lots 22 thru 36 as one parcel.

Block 6B - Lots 5 thru 10. You've already surveyed this - see enclosed. We just need tall stakes put in so we can find them.

Perhaps you'd like to come out and discuss these - we'd be delighted to see you. Please call. We'll be away from 2-28 thru 3-20.

Thanks,

Sam & Dolly

Dear Mrs. McSorley:

Last June I sent you copies of plats of the various lots that you had asked me to stake out, together with the suggestion that we get together concerning some of the lots. I do not know whether you got my letter or not, or whether you do not intend to pursue this matter. I certainly am not pressing you on this, particularly in view of my track record of delaying getting to jobs, but I am curious as to where the matters stand.

Sincerely yours,

June 2, 1995.

Mrs. Samuel McSorley

Dear Mrs. McSorley:

It appears that I spend most of my time apologizing to you for not getting to the various surveys for you in a reasonable time. I had done all but the lots in Blocks 3L and 4L some time ago before getting side-tracked.

I have enclosed plats of lots in Block 3K, 5K, 6B, and an overall sketch of those in 3L and 4L. There was no problem with 3K or locating the corners previously set in 6B. Although I have shown a 6' strip taken out of 5K, there is some doubt as to whether this can be done. This would have to go through the zoning process, and I do not think that it would be approved. Perhaps a non-access clause could be written into the deed instead.

The lots in Blocks 3 and 4L present a problem. I have set a few key points, but there is some question as to how much should be done. I think that the best bet is for me to get together with either you or Mr. McSorley and walk over some of this. Some of the points that I have marked are rather hard to find.

Sincerely yours,

9370 North Bayview Avenue
Chestertown, Maryland 21620

October 2, 1995

Dear Bill,

We did receive your letter and drawings earlier this Summer and appreciate all you do for us.

You mentioned a problem concerning Blk. 3 and 4L which the adjoining neighbor is interested in buying part.

The reason we didn't get back to you sooner was knowing there would be difficulty in tramping through overgrown areas. Felt it best to wait for fall and here it is.

October already. Sam and I would like to take you up on your offer to get together and walk over the lots involved. I will be away in Colorado until Oct. 25th and certainly hope we can set a date and time after that. We expect to pay you for your time and advice.

Most Sincerely –
Holly McSorley

Mr. Nuttle;

Pursuant to our conversation today here is a copy of your survey.

We will be back in town July 12th and hope you will be able to mark the boundaries within the next 2½ weeks.

Thanks! Sue Basener
