SHARP STREET MEMORIAL M. E. CHURCH.  
COR. DOLPHIN AND ETING STREETS.

This celebration will make a distinct epoch in the history of our people in this city. The spiritual and financial success of the undertaking will depend very much upon the interest you manifest and the sacrifice that you are willing to make.

Believing that you are proud of the privilege of going down in the memorial of this great occasion, we have no doubt that your work and sacrifice will stand to your honor, to the inspiration of the future generations of your family and the members who shall celebrate the Second Centennial Anniversary.

It is very important that each and everyone remember that we shall never have an opportunity like this again.

Therefore, let all give to help to spread the kingdom of our dear Lord.

Give in memory of your sainted parents ; give as an example to your children and relatives.

Give, thereby that your name might be perpetuated ; give until you feel it ; give to the glory of God.

We invoke the Divine Blessing upon the celebration, the work of the Church and upon you.
