Dear Brother

I received your letter
last evening and was very glad to
hear from you all the boys you
know in Co. B are all well except
Tommy Lincoln who is sick in
the Hospital and you know Henry
Tompson he got so scared the day of
the fight that he is sick now. As
for the danger of a Rebel shooting
me I am not afraid of that at all
for if ever I draw bead on one
He is Ed Steel Rebel I can tell
for I can shoot 900 yards and
kill a man very easy I am
not afraid of drinking out of
the ditch before I went so
No more at present
