Washington Feby 12th 1800

My dear Sir

Mr. Keene tells me that he detained my medals to you, somewhat out of order. Will you be so good as to get them replaced, and the box repaired, and send them down by Mr. Broom who will return to this place on Wednesday or Thursday next. Probably on Wednesday.

Mr. Wheatwright is to leave \$100 in your hands for me. Please to return it, till you hear further from me. His cause is now before the Court, and will probably be decided in the course of next week. I have little doubt of a favourable result.

Yours Truly

Robt. J. Harper

Mr. Murray

There is at Mr. Markoe a bag for the medals in which they came. If it cannot be found, Keene has one made.
