

For the Baltimore City Council

George E.

Brent

DEMOCRAT

Running in the
New Third District

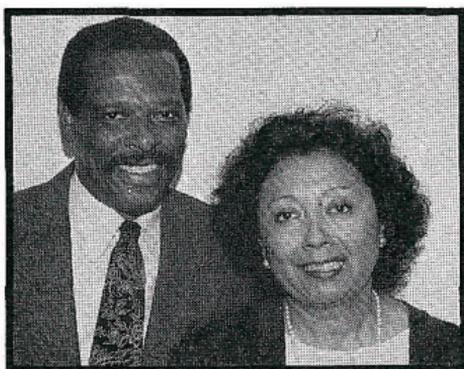

In this 1991 year of Baltimore's Marathon Elections for City Council, **GEORGE BRENT** is trained for the challenge of our **NEW THIRD DISTRICT**.

GEORGE BRENT is a health care professional with Montefiore Hospital training as director of neighborhood-based health facilities, especially for elderly patients and retirees.

A "people person," **GEORGE BRENT** has served the citizens of Baltimore City as Director of Community Affairs for the Office of Council President **MARY PAT CLARKE**. That job means problem-solving, from street repairs and sanitation enforcement to PTA priorities.

Brent's special local concern is the best community redevelopment of our **Memorial Stadium**, a baseball's throw from the Brent home.

Celebrating their 31st anniversary this September, **GEORGE** and **PHYLLIS BRENT** are Waverly homeowners and the parents of Kim, 28, and Gregory, 29. The Brents are active members of the Better Waverly Community Organization and St. Matthews Roman Catholic Church.

"When it comes to caring and working, George is a long-distance runner. We need his 10K spirit in the Baltimore City Council."

— Joe Green Bishop

Third District City Council

807 East 33rd Street

Thanks for talking with me as I campaigned in the neighborhood. With your help, I look forward to our working together to keep Baltimore affordable, safe, and progressive in the years ahead.

As a hard worker, with experience and results to show, I am asking for the chance to get the job done for our "hometown" Northeast District.

Thanks for your consideration and vote.

Sincerely yours,
