RE-ELECT DELEGATE HOWARD P. RAWLINGS and the 40th DISTRICT UNITY TEAM

August 1994

Dear Voter,

I know that the creation of jobs is the number one priority for many of the residents of the 40th District. In my leadership role as Chairman of Appropriations Committee, I have been a strong advocate in creating over 35,000 new jobs for the city during the period 1990-93. This was done despite the worst economic conditions in Maryland for decades. I pledge to work even harder to both create new jobs and retain the ones we have in the city. I am also committed to the principle that city residents ought to be the main beneficiaries of employment opportunities in Baltimore.

Sincerely,

Howard P. Rawlings
