Memorandum - September 22. 1903

After much delay in carrying out the action of the Trustees to secure more ground for an addition to the Cemetery Bro J. V. Brown was appointed a committee to see Miss R. Jane Stockdale to secure the same. Bro Brown called but failed to have an interview with her, she not being at home. In the latter part of July Rev J. R. Wheeler, Pastor and Bro J. P. Dean called to see her & obtained her consent to sell us a plot beginning at the South West corner of the present Cemetery & running in a line with the Western fence to a fence running Westward from the S.W. Corner of Mr Jas Peffer's lot to the point of intersection with said line coming from the cemetery. But said she would wait until her ~~lawyer~~ Lawyer, Mr Rich, returned from his vacation before saying anything about the price.

On the 21st of September following Rev J. R. Wheeler received a note from her saying we could have the tract specified for \$200. Bro Brown the

committee appointed to secure the ground closed the matter with her by requesting the Pastor to see her and accept her offer. This the Pastor did this day.

A meeting of the Trustees was then called to meet after Prayer Meeting to-morrow Wednesday evening to confirm the action of the Committee and to direct the proper papers to be executed for the transfer of the ground and to authorize the payment of the money and such other business as may be necessary in connection there with.

P.S. Miss Stockdale agreed to give us the right of way into her land at the gate across the lane that runs South of R.S.V. Gore's dwelling and thro her fence into the above tract which she has consented to let us have. This right of way will be incorporated into the deed when made. Two gates were specified One a "four foot" gate adjoining Mr Pfeffer's lot and a 12 foot gate adjoining the 4 foot one.

After an examination of the
 Church by Mr Robert Caron it was
 found that the construction of the
 edifice was such that it would
 require such changes in the
 Lecture Room & supports for the
 Audience Room floor in order to
 make the changes referred to in the

Meeting of July 19th 1905 that the cost would be beyond the ability of the Trustees to raise, and the project was abandoned much to the general regret of all the members. The committee not discharged.

The fence for the Parsonage was ordered in 1905 by a regularly held Trustees Meeting but the Book being mislaid it was not entered as the Sec. did not have possession of it. It (the fence) was put up in the winter - Mr J. V. Brown superintending its erection and the minute of April 24th ¹⁹⁰⁶ covered both fences
