Rev. Barrington told us that he had done work in
hardcore in the past

Rev. Barrington told us that the Bishop
had called him to Baltimore and said
that service would have to be held each
Sunday here at 10 o'clock and at 12 o'clock
at London.

Bro. Green said that he did not
see why our service had to be at
10 o'clock each Sunday. That he felt
that it would be to have one service
and of the rest, as one Sunday
was at 10 and that the children
were not coming out at 9 o'clock for
Sunday school. After much discussion
on the matter, Rev. Barrington said he
didn't say that service would be here
every Sunday at 10 that he would
had been one Sunday here at 10 and
one at 12 ~~at 12~~ ^{The}

Bro. Green had said

Bro. Green then quoted to Rev. Barrington
that he did say service here every
Sunday at 10. He then told the
congregation that he did not need her
to put words in his mouth that
before she wrote down anything she
should question him on that matter.

Rev. Barrington went on to say that
he had heard that he was the first church
of people in Montgomery county and that he
had said he did not believe it but now
he could see they were right. Bro. Galman
got up to talk out saying that all of this talk
was not necessary. Rev. Barrington told him that
he could silence him and if he did that
he would have to come to the altar and

applied.
Rev. Barrington told us that until
we were able to have a place for a pastor
to stay and to support one by our selves
he should not expect the same amount of
service as those who have a passage.

Rev. Barrington then asked Bro
Willie Ridgley to give the closing prayer
