PLEASANT VIEW - MERGER STUDY REPORT

1964

PRELIMINARY STUDY COMMITTEE REPORT

some

its Introduction

A body of christian believers having the same creed must in the course of pursuing their objectives evaluate their ability to continue to meet their responsibility as a church. In evaluating the ability of a church to accomplish its mission--the reconciliation of a separated world and people to God--the church must continuously evaluate its program, structure and facilities as the means to that end. This study is an evaluation of the Emory Grove-Pleasant View Charge, Pleasant View church in particular.

The Emory Grove-Pleasant View Charge consist of two churches located approximately six miles apart. Each of the churches is located on the fringe of a rapidly growing community. With the growth of each of the communities it is apparent that more adequate facilities must be provided. Even though Emory Grove and Pleasant View have been on the same charge for a considerable length of time, the committee is unaware of any attempt in the past to merge the two churches. The fact that merger was not considered for these two churches, the committee believes, was due to the desire of the two congregations to remain as two distinct churches. A possible merger is more receptive today because of a change in attitudes of the people, and the realization that under the present charge relationship neither church can adequately fulfill its mission, in the rapidly expanding communities, separated by a distance of six miles. Being somewhat aware of its limitations, the Emory Grove-Pleasant View Charge requested that a committee be established to study the churches and the communities. At the fourth quarterly conference on March 22, 1966, a committee was appointed to make a study, and its findings and recommendations are included herein.

repre

membe

It is anticipated that this report will provide some insight into the problems associated with a church that has a small congregation, and will give

some indications of Pleasant View's efforts and proposals to address itself to its problems.

The Hunting Hill and McDonald Chapel Study Committee Report was used as a reference for this study. Both churches have since merged into a new church, "Fairhaven." The Study Committee wishes to extend its thanks to the members of Fairhaven for the use of its report, and to others who assisted in the preparation of this report.

The following areas are included in this study: membership, leadership, finances, attendance, facilities, and growth in the community. In this report each area is divided into two sections: the first section presents the facts, and the second interprets the facts and their implications. Tables and charts are aids to clarify and illustrate the facts.

MEMBERSHIP

I. Presentation of Data

A. Change In Membership

An examination of the membership records of Pleasant View Church reveals the membership trend for the last five years. Table #1 shows the membership statistics covering the last five years at Pleasant View.

Table #1 - Membership from 1960 to 1966

| Year | Membership |
|------|------------|
| 1960 | 50 |
| 1961 | 53 |
| 1962 | 56 |
| 1963 | 60 |
| 1964 | 64 |
| 1965 | 64 |
| 1966 | 64 |

Since 1960, Pleasant View has had a net increase of 14 which represents a 22% increase. This growth was anticipated since most of these members came in from the church school.

B. Age and Sex of Membership

Table #2 contains a summary of the age and sex distribution of the membership of Pleasant View.

Table #2 - Sex and Age of Membership

| | | Sex | | Age | | | | | | Total |
|---------|--------|------|------|-------|-------|-------|-------|-------|-------|-------|
| | | | | 10-19 | 20-29 | 30-39 | 40-49 | 50-59 | 60-69 | |
| Number | Female | 4 | 10 | 11 | 4 | 2 | 3 | 2 | 36 | |
| Percent | | 11.1 | 27.8 | 30.6 | 11.1 | 5.5 | 8.4 | 5.5 | 100% | |
| Number | Male | 5 | 6 | 5 | 3 | 5 | 1 | 3 | 28 | |
| Percent | | 18.4 | 20.6 | 18.4 | 10.3 | 18.4 | 3.6 | 10.3 | 100% | |
| Total | | | | | | | | | | |
| Number | | 9 | 16 | 16 | 7 | 7 | 4 | 5 | 64 | |
| Total | | | | | | | | | | |
| Percent | | 14 | 25 | 25 | 11 | 11 | 6.2 | 7.8 | 100% | |

The statistics show the average age of the membership is between thirty and thirty nine. Of the sixty four members, 25% are over fifty years of age. Twenty five members are under thirty years of age (64.1%). Only 14.1% of the members are over sixty.

As usual the female membership is larger than the male. The female membership composes 56.2% of the total membership. There are nineteen male members under fifty and six of them are between the ages of twenty and thirty.

II. Interpretation of Data

The statistics show an increase of fourteen members over the last five years. As was previously stated, this increase was anticipated. It must be noted however that there has been no increase over the last two years. There is every reason to believe that under present circumstances, the only increase in membership that can be expected is an increase due primarily to the church school. *Parent support is a definite growth*

Even though the membership is relatively young, the total active membership (thirty-one) places certain limits on the ability of this church to continue to meet its responsibility of serving this community.

It is the opinion of this Committee that this congregation, with its present distribution of sex and age of members, will offer a desired advantage to a merged church.

LEADERSHIP

I. Presentation of Data

A. Number of Positions and Number of Leaders

There are approximately forty positions to fill. Presently there are sixteen persons occupying these positions. The average number of positions held by each leader is three.

Table #4 - Number of Positions per Leader

| <u>Number of Persons</u> | <u>Number of Positions</u> |
|--------------------------|----------------------------|
| 4 | 1 |
| 5 | 2 |
| 6 | 3 |
| 0 | 4 |
| 1 | 5 |

B. Years Tenure in each Position

Three positions have been filled by the same person for more than five years. Five positions have had the same leader for ten or more years.

Table #5 presents a summary of the findings concerning the years of tenure in each position.

Table #5 - Years Tenure in each Position

| <u>Years</u> | <u>No. of Positions</u> |
|-------------------------|-------------------------|
| Less than one year | 9 |
| One to two years | 6 |
| Two to three years | 9 |
| Three to four years | 1 |
| Four to five years | 1 |
| Five through nine years | 6 |
| Ten or more years | 5 |

C. Age and Sex of Leaders

An analysis of the ages and sex of the leadership reveals some interesting facts. Of all the leaders only 12.5% are over fifty. The greatest number of leaders (31.25%) are in the 30-39 age group.

Table #6 - Age and Sex of Leaders

| | | Sex | | Age | | | | | | Total |
|---------------|--------|------|-------|-------|-------|-------|-------|-------|-------|-------|
| | | | | 10-19 | 20-29 | 30-39 | 40-49 | 50-59 | 60-69 | |
| Number | Female | 1 | 3 | 4 | 2 | 1 | | | 1 | 12 |
| Percent | | 8.33 | 25 | 33.3 | 16.67 | 8.33 | | | 8.33 | 100% |
| Number | Male | 0 | | 1 | 2 | 1 | | | | 4 |
| Percent | | 0.0 | 0.0 | 25 | 50 | 25 | | | | 100% |
| Total Number | | 1 | 3 | 5 | 4 | 2 | | | 1 | 16 |
| Total Percent | | 6.25 | 18.75 | 31.25 | 25 | 12.5 | | | 6.25 | 100% |

Twelve of the sixteen leaders are female (75%) and the remaining four are male. Although there are five male members between the ages of thirty and thirty-nine, only one holds a position of elected leadership. Of the twenty-eight male members of Pleasant View only four hold a position of elected leadership. This information indicates the serious need for recruitment of leaders.

D. Attendance of Leaders at Meetings

The records for a twelve month period of the attendance of the leaders at various meetings, including official board, commissions, trustees, quarterly conferences, etc. indicates that during the period 90% of the leaders were present at meetings which they were supposed to attend.

II. Implications of Data

After a careful and detailed analysis of the leadership of Pleasant View, the study committee drew some conclusions. The committee recommends that attendance at a workshop or some source of training be mandatory for re-election to a position

of leadership. The committee also recommends that an effort be made to recruit more leaders from the young adults and the male membership of the congregation.

Ideally no person should have to serve in more than one elective position. This is virtually impossible with the present congregation. The committee agreed that the only practical solution to the problems of leadership is the merger of this church with another church. The committee feels that such a move on the part of Pleasant View would alleviate the pressure on the present leaders, would provide many prospective leaders in the young adult group, would create a strong church in the area of leadership, and would mean an improvement in the quality and quantity of leaders.

On the basis of the above, the committee recommends that Pleasant View initiate the action toward a merger.

FINANCES

I. Presentation of Data

A. Number of Contributors

A study of the financial records reveals that there have been forty-six contributors to the budget of Pleasant View during the 1965-1966 conference year. Of this number, thirty-one contributed regularly: weekly, monthly or quarterly. Thirty-eight pledges were made to this year's budget which amounted to \$3,192.00 or \$84.00 per pledge. This accounted for 62% of the total budget of \$5,200.00. At Pleasant View there are eighteen members who do not contribute at all to the financial program.

B. Age of Regular Contributors

Thirteen of the thirty-one regular contributors are over fifty years of age, and four of these are over seventy. These thirteen persons contribute 40.4% of the total amount given. Only 20% of the total contributions come from those over sixty years of age, while 35.6% of the total is contributed from persons under forty.

Table #7 - Ages and Sex of Regular Contributors

| | Sex | Age | | | | | | | Total |
|------------------------|--------|-------|--------|--------|--------|--------|--------|--------|----------|
| | | 10-19 | 20-29 | 30-39 | 40-49 | 50-59 | 60-69 | 70 | |
| Number of Contributors | Female | 0 | 3 | 5 | 3 | 2 | 3 | 2 | 18 |
| Percentage | | | 33.33 | 27.77 | 33.33 | 11.11 | 33.33 | 11.11 | 100% |
| Amount | | 0.0 | 207.00 | 311.00 | 306.00 | 235.00 | 251.00 | 167.00 | 1,477.00 |
| Percentage | | 0.0 | 14.0 | 22.0 | 20.7 | 16 | 17 | 11.3 | 100% |
| Number of Contributors | Male | 1 | 2 | 2 | 2 | 3 | 1 | 2 | 13 |
| Percentage | | 7.69 | 15.38 | 15.38 | 15.38 | 23 | 7.69 | 15.38 | 100% |
| Amount | | 6.00 | 121.00 | 232.00 | 247.00 | 110.00 | 89.00 | | 1,012.00 |
| Percentage | | 0.6 | 12 | 23 | 24 | 20.4 | 11 | 9 | 100% |

II. Interpretation of Data

Since only 62% of the total budget is pledged, the remaining 38% comes from pledges from organizations. It would appear from this that the financial condition of Pleasant View is strained. However, it appears from a recent check of the financial records that over 90% of the budget for the 1966-1967 conference year will come from individual pledges. This is a marked improvement over the 1965-1966 conference year.

ATTENDANCE - Worship

I. Presentation of Data

The average attendance at Pleasant View has been 35 since 1960. Approximately 50% of the members attend regularly. The neighborhood in which the church is located is not growing. Of the regular attendants at Pleasant View, 56.25% are younger than forty.

II. Interpretation of Data

The Committee contends that something drastic must be done to cultivate the inactive members. Although there has been an increase in the number of members, primarily from the church school, average attendance has remained the same.

ATTENDANCE - Church School

I. Presentation of Data

The church school enrollment at Pleasant View has shown a fifty percent decrease over the last five years. This was due primarily to transfer from Pleasant View to a neighboring church (Poplar Grove Baptist).

The church school is hampered by the lack of facilities. During the winter months four classes meet in the church. The interaction and competition of noise does not provide an environment conducive to learning. Additional space is very definitely needed.

II. Implications

The study committee contends that something must be done to improve the facilities for christian education in the community. Pleasant View alone cannot provide now, nor does it appear that it will be able to provide adequate facilities in the near or distance future.

In addition to the lack of church school facilities, there is the problem of finding trained personnel to give the educational leadership required in the church school.

This Committee believes that a merger of Pleasant View with another church will eventually provide the necessary educational leadership and church school facilities. It should be understood that an immediate consolidation of the two church schools is presently a physical impossibility.

FACILITIES

I. Presentation of Data

A. Modifications and/or Repairs

In order to meet the present needs of Pleasant View, the following modifications and/or repairs should be made:

1. Add at least three more church school rooms.
2. Install rest rooms in the church building.

3. Paint both the exterior and interior of the church, and the exterior of the parish house.

4. Re-wire the parish house.

5. Install central heating in the parish house.

6. Provide facilities for cloaks.

7. Install drinking fountains in the church and parish house.

The above suggestions represents the immediate minimum needs at Pleasant View church. The general condition of the facilities are poor and the need for modification and/or repair is great.

II. Interpretation of Data

Enormous expense would be involved to make the necessary repair and/or modifications to the present facilities. Even then, the requirements for expenditures for upkeep would be more than Pleasant View could sustain for an indefinite period of time. On the basis of this, it is recommended that Pleasant View take a long range look at its facilities, and their condition, and seriously consider the possibility of a merger.

GROWTH OF THE COMMUNITY

I. Presentation of Data

According to the Park and Planning Commission, some development is anticipated in the Quince Orchard area in the near future. They speculate that by 1980 the population will double what it is at the present time.

II. Interpretation of Data

It is obvious that the community is going to experience much growth in the immediate future. The Committee contends that Pleasant View is not in a position to meet the needs of the rapidly growing community. The Committee therefore recommends that Pleasant View immediately take the necessary steps to indicate their position on a merger with Fairhaven.

make a list of what we can do study -

SUMMARY OF RECOMMENDATIONS

On the basis of the facts presented in the report the Study Committee makes the following recommendations:

1. That Fairhaven and Pleasant View Methodist churches be placed on a charge relationship for the 1967 - 1968 conference year.
2. That the charge should begin with a consolidation of the official boards, commissions, and other organizations.
3. The Joint Committees shall have representatives from both churches.
 - A. Chairman from one church
 - B. Vice-Chairman, or another officer from the other church.
 - C. The Chairman, Vice-Chairman or other officer shall coordinate the work of the committee at his respective church.
4. That a Joint Committee be established to work out the details of the charge Relationship:
 - A. Determine the hour of service at each church.
 - B. Determine the financial support for charge expenses for each church.
 - C. Determine those positions that should remain as distinct positions of each church.

The positions:

1. Treasurer
2. Financial Secretary
3. Lay Leader
4. Church School Superintendent

D. Work out the details for joint worship services and fellowship services.

5. That a committee be established to work out any problems, financial, social or otherwise that have resulted or will result as an outgrowth of the dissolvment of the charge relationship of Emory Grove and Pleasant View.

A. Determine the extent to which any assistance can be provided to Emory Grove, by Pleasant View and/or Fairhaven.

B. Coordinate the efforts of this committee with the District Superintendent.

6. A committee be elected to study the possibility of a merger of Pleasant View and Fairhaven. If a merger is found to be desirable, then the committee should work out the specific details of the merger and report back for approval by each congregation.

A. Distribution of existing property

B. Burial Ground at Pleasant View

C. Selection of a burial site for the merged congregation

The Study Committee contends that a charge relationship has the following advantages:

1. Presents an opportunity for the two Methodist churches in the area to work more closely with each other.
2. Provides a better base for the formulation of a merger.

Meeting at Gerard Green, Sr. of Pleasant View United Methodist Church Corporation. Carroll Greene emphasized the importance of this first meeting. He asked if everyone had received a copy of the new corporation. All the members had seen copy but had not received one. He read corporation information from records. Carroll also suggested that we use name also known as Pleasant View Historical Association. Motion was made by Gerard Green, Jr. and seconded by Watson Prather to use name also known as Pleasant View Historical Association for purposes of fund raising. Those voting for motion were William Ridgley, Ellsworth Jackson, Charles Thompson, Sr., Gerard Green, Sr. and Thompkins Hallman. Those absent were James Ridgley and Charles Thompson, Jr.

It was suggested by Carroll Greene that the following format be used for meetings:

- (1) Call to order by chairman
- (2) statement of chairman
- (3) reading of meetings of last meeting
- (4) vote on minutes with corrections, if any
- (5) treasurer's report
- (6) chairman or president's report
- (7) committee reports
- (8) unfinished business
- (9) new business
- (10) adjournment.

Carroll stressed the importance of keeping minutes which should include names of persons present and actions taken, how persons voted. Copy of deed should be sent to each member.

Carroll suggested that the by-laws of the corporation should include the following: state that each person be notified so many days prior to meetings, how often to meet, where to meet, names of officers, how to be elected, how long term of service, how money to be handled, who will sign checks in addition to treasurer. He also suggested that we not solicit funds until by-laws have been approved and that any grant money be put in a separate account. We need to prepare a statement of purpose for the corporation.

To get an application for non-profit organization you must apply to Maryland Dept. of Assessments & Taxation in Baltimore and to the Internal Revenue Service.

Other suggestions by Carroll Greene: Get file cabinet at least two drawers to be accessible to corporation; have deed and other important documents kept in safe deposit box. Suggested committees: finance, bldgs & grounds, public relations to get word out to community, and cemetery to determine costs of plots and how payments to be made.

Suggested by Gerard Green, Jr. that list of all donations and names of donors to May Fest be obtained from Alma and/or William Ridgley and that record be kept for future knowledge as to costs. It can also be used for income tax purposes.

Treasurer's Report by William Ridgley: \$2,179.61 as of May 31, 1984. May Fest total was \$528.94 minus \$99.09 expenses leaving balance of \$445.60. This figure (amount) deposited and included in \$2,179.61 total above. Treasurer's Report accepted.

Gerard Green, Jr. reported that it is possible to obtain funds for repair of roof (church) from Montgomery County sources. He will get detailed information.

Motion by Watson Prather, 2nd by Charles Thompson, Sr. that officers be retained until by-laws established. Officers are:

Gerard Green, Sr. - Chairman
Gerard Green, Jr. - Vice-Chairman
Thompkins Hallman - Recording Secretary
William Ridgley - Treasurer

Motion accepted by all members present.

Gerard Green, Jr. will be buildings & grounds chairman and William Ridgley and Ellsworth Jackson will work with him.

Motion by Gerard Green, Jr., 2nd by Tom Hallman that we begin inventory of Pleasant View Cemetery as to determining all graves sites there. Voting for motion were Ellsworth Jackson, Wm. Ridgley, Gerard Green, Sr., Charles Thompson, Sr. & Thompkins Hallman

Next meeting set for 3rd Sunday in July (15th).

Carroll Greene will look into tax exempt status. He will also check to see if deed has been recorded in Montgomery County office. If so, copy will then be mailed to each member.

Meeting adjourned.

- when you begin your 10² o'clock service. | Rev. Barrington stated that knowing he had a service at the other church at 12 o'clock that he had ~~to~~ to begin our service on time and usually there were 3 or 4
9. Bro. Steward stated he felt that we could not set a time to please everyone but suggested 9-11.
 10. Rev. Barrington stated that he felt that we had over stepped our bounds when we interfered with the time he had set up for service and did not know how to get back, that he had considered the distance the members had to come to get to church and pleasant view had the shortest distance some of them had walked to church and he set 10 o'clock for them. Sinden Church with most of its members living in Washington he set the time for 12 o'clock.
 11. Bro. Horton asked the question who is suppose to set the time for service.
Rev. Barrington answered the pastor sets the time for service.
 12. Bro. Horton did not feel that Mt Zion church had enough present to set a time for service and wondered if the other members could be notified and vote for the time of service they would like the other church as well and then what ever the majority vote was that would be our time for service.
 13. Rev. Barrington stated that according to the discipline the members should be notified 10 days for a joint board meeting. This had been done and that it would not be proper to receive votes outside of a meeting when the meeting had been called for the purpose of deciding a vote.

it was stated that 10 o'clock was out for both churches

- Bro. Thornton stated that they had not discussed an alternate service.
- Bro. Smith felt as Bro. Thornton that if we were able to get a vote from all members then the majority would decide the time for service.
14. Bro. ~~Hollman~~ asked what
 14. Rev. Barrington asked if we wanted to vote service or had was ready Sinden was not. Rev. Barrington stated that as a charge we could not except a divided vote and suggested that Postal cards be sent to each member of both churches by their secretaries and set the date 10 days hence which would be 28th of June E.P.M.

The N.M. Carroll Home Auxiliary

Information Sheet

I am repeating the same words I had in my last years Information Sheet, because I cannot find anything better to say.

We are thankful for another year of Christian service, lovingly provided by the members and churches of the N.M. Carroll Home Auxiliary to our senior citizens who live in the Home.

Your concern, interest and love is shown by your fine contributions of money, gifts, refreshments, parties, programs, singing programs games played with the residents, and above all your love for them. Again we the officers of the Auxiliary say thank you with the deep appreciation.

1 If you should want to go to the Home with a project for the residents, please call the Home 669-4270 or 669-3444. They will be happy to have you come.

2 Our Bus Trip to Florida did not go.

3 If you want information concerning the Auxiliary please call your district president or call me. Mildred L. Barnes 810 Whittier Pl. N.W. Washington D.C. 20012 - Phone 291-4214.

4 Sorry I am late with this information, but due to the making of the 10th district, and finding some new districts, it is hard getting the districts set up. The change was made in the summer, vacation time, summer meetings and other things. At the present we have started organizing districts, still there are some more to be organized. I must find two more district presidents - Frederick and Hagerstown.

5 We are still working Phase II trying to reach our goal of \$25000⁰⁰. I am afraid we will have to increase our goal due to the high cost of every thing.

6 This year I am asking every district to raise \$1000⁰⁰ over and above the Pantry Drive Fund. A great amount of that could come from the Membership Drive, if the Key persons work hard on it. Each district have one or two fund raising projects. I think we can do that.

7

Pantry Drive Saturday December 13, 1975 - 1 P.M.

We will make our presentation, before the administrator makes the order for Christmas.

Due to problems created by the donations of can foods, such as too many cans of certain food and too little of other foods makes it impossible to have a suitable meal. Now we find it more suitable for the Home staff to decide what to buy. The Auxiliary will make a cash donation and donate other things needed, such as coffee, tea, sugar, can milk, cereal, flour, cooking oil, can juices, fresh fruit turkeys, chickens, ham, napkins, soap, soap powder, tea towels, maybe the cook will need something special. More frozen food is being used now. So I am asking money only, what you would spend on can goods, just make it cash and send it to us please, so you can get credit for it from the Auxiliary, since the Auxiliary is the sponsor of the Pantry Drive.

If you should send a check directly to the Home for the Pantry Drive, put the words Pantry Drive on the check please.

Every body may not be able to send Pantry Drive fund in on December 13, it will be most welcome anytime suitable to you, it can always be used. We thank you in advance for your fine cooperation.

8 Make your checks or money orders payable to the N.M. Carroll Home Auxiliary, put at bottom of check what it is for. Send your checks to your district treasurer, if you do not know that person and their address, then send it to the Conference Auxiliary treasurer.

Mrs Beatrice W. Hawkins - 1117 Please do not put the word treasurer on your mail to an treasurer

4117 Jones Bridge Road
Cherry Chase, Maryland 20015-

If you send checks for the Auxiliary to the Home, then you must make it payable to the N.M. Carroll Home Auxiliary, put on the what it is for. If you send checks to the Home ~~because~~ you don't know where send them and you want the Auxiliary to have them, then put Att. Mrs Barnes, after you have addressed it to the Home.

Again I say thank you for your fine cooperation during 1975 so far, just keep your contributions coming in.

Sincerely yours in Christ
Mildred L Barnes

On April 8, 1888 a total of about three acres of land was purchased from Mr & Mrs Gulla Fisher by Thomas Newson, George Johnson and Charles Bearden, trustees and their successors this land was purchased in trust for the Methodist Episcopal Church in U.S.A. for the sum of 54.00 The premises were to be used, kept, maintained and disposed of as a place of divine worship for the use of the ministry and membership of Pleasant View Methodist Church.

The old Pleasant View Methodist Episcopal Church has been torn down because of its poor condition while it has been rebuilt the members attended services in the Union Orchard School house. The Church was rebuilt in 1914 under the Pastorate of Reverend VNS Hughes.

Rev. Hughes was minister of Pleasant View from 1914-1921.

Rev. Leslie Dixon began his ministry during the Pastorate of Rev. Hughes in 1919.

Rev. Dixon is now the minister at Union Memorial Methodist Church Baltimore Md.

Rev. Richard Johnson began his ministry at Pleasant View Church in 1937 and later became district pastor.

His son Rev. Charles Johnson is pastor of Hughes Memorial

Church in Washington D.C. (2)

Pleasant View Church served on a charge with the following churches
Emory Grove
Scotland
Linden

The First Woman's Society was formed at Pleasant View Church in 1940 Mrs Sadie Green as President

The First Methodist men was organized in 1961 and was officially chartered by the Conference in November 1962. Melvin Hallman served as its first President.

Mrs Emma Jackson was the first President of the Kelley Women's Club. and Mrs Ruth Jackson President of the Flower Club.

In April 1961 at a Church Conference, the consensus of opinion was expressed that Pleasant View was playing a supportable role for the Conference but that it was not really involved in developing its own program a new philosophy was initiated: to become involved in service to the community and to develop leadership among its members and thus become a layman-oriented church.

To begin this under the leadership of Rev. Thomas Barrington the Chairman of the various committees and organizations attended leadership development workshops set up a budgetary system. had every member visitation
The Methodist men not only played a financial support role

but provided the means for a joint fellowship with McDonald Chapel and Hunting Hill, Methodist men in the Spring of 1965. It was at this meeting that the feasibility of Pleasant ^{View} becoming involved in a joint fellowship with these two neighbouring Churches was discussed.

at a joint meeting with the Methodist men and the W.S.C. the majority of those present expressed the opinion that the possibilities of this fellowship were desirable and it deserved further discussion with the total church membership. First by contacting each member individually and then to hold a church wide meeting for an overall discussion of attitudes toward such a joint fellowship.

As an outgrowth of this recommendation this inter church fellowship was brought up for discussion at the first quarterly conference in the fall of 1965, Rev. Carroll was dist. Supt. of Washington conference. at this time a special committee was set up to study the overall program of Pleasant View Church.

While all of this action was taking place Fairhaven and Pleasant View ^{W.S.C.} were involved in a Christian Mission (The Christian Calling) which laid the foundation for greater cooperation between the two churches.

In 1967 representatives from Pleasant View - Emory Lane and Fairhaven met with the dist. Supt. to discuss the feasibility of a charge relationship between Pleasant View and Fairhaven.

The committee recommended in June 1967 that a

Charge relationship be established between Pleasant View and Fairhaven as a more feasible way to serve the community and develop its total church program.

In May 1967 we were informed by the district supt. that Pleasant View and Fairhaven would become a charge beginning with the next conference year.

In June 1967 the two churches began to have meetings together beginning with the M.Y.F.

In ^{August 2} July 1968 the group of concerned Christians met at the parsonage with an invitation to all members of both churches to participate in this discussion.

- which was:
1. to speak the truth in love
 2. how to begin trusting each other
 3. what were the possibilities for the change in the future

It was at this meeting that Pleasant View members were invited to join Fairhaven Church as the most desirable method to implement this joint fellowship.

on Sunday Sept 8, 1968 five members transferred from Pleasant View to Fairhaven on Sept 29, 1968 - 24 members transferred.

at a meeting at the regular worship hour the remaining members at Pleasant View decided that they would attend Fairhaven Church rather than continue service at Pleasant View for so few remaining members. They did not desire to transfer membership at that time. Sept 29, 1968 was the date of the last service at Pleasant View.

Thus after 80 years Pleasant View has joined Fairhaven to become part of a larger fellowship of service to God and this community.

- This was done through constant prayer and meditation
gently and individually
