

Dear Folks:

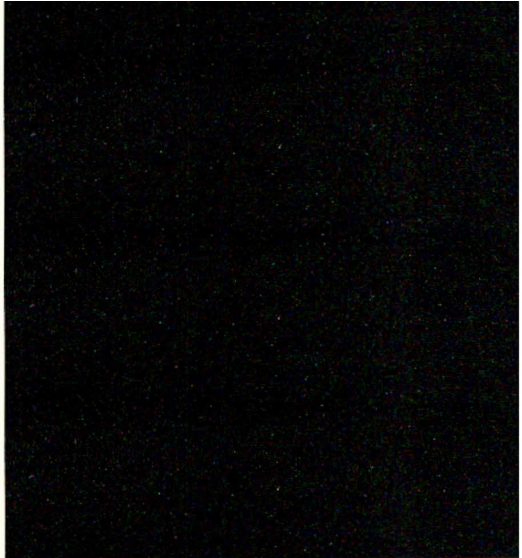

We have just set up camp tonight in the middle of a rubber plantation.

The operation we are on is called Seeder Falls. So far it's been fairly successful. M6 has lost 3 guys so far. Sgt Messick was killed & SPS Edwards was crippled, & my plt Sdr, ~~St.~~ St. Mass was wounded by a grenade 30 minutes ago. This mission is to last 31 more days & then we go to the Cambodian Border.

Folks I'm just to tried to write. We've had 4 hard days of Charlie hunting. So ok & I'll see you in June.

Love
Yarry
