THE
 CONSTITUTIONAL
 RECORD

 UNITED STATES

Entered according to Act of Congress, in the year 1871, by

INTRODUCTION.

THE GENERAL CONFERENCE OF THE METHODIST EPISCOPAL CHURCH, by a wise care in the improvement of her Records, has secured excellent forms of these important books, and, in this respect, gained a precedence for Methodism among the sister denominations.

The success of the Church Record published by the Book Agents, which has been in use for the last eight years, is its best indorsement; but the

COMPREHENSIVE CHURCH RECORD

having received the hearty COMMENDATION OF ALL THE BISHOPS, we offer it to the Church in the confidence that it supplies that which experience shows has been the greatest deficiency of the former Record. Mere novelty of method or of arrangement, and all complexity, have been studiously avoided. The valuable system of Alphabetical reference on the margin of each page, as found in the department of "Members in Full Connection," is now for the first time given to the world, though it has been practically tested for years. It is found to be simple, sightly, and serviceable. Its advantages are fourfold: (1.) The name of any member may thus be found with great facility. (2.) The names of members are not scattered over many leaves of the Record. (3.) It affords the greatest facility for rewriting or transcribing the actual membership, which is found desirable after many have "removed," or have "died," or are lost sight of through other causes; in the previous form of Church Record there was no possibility of such transcription. (4.) It greatly enhances the value of the Record as a reference, in that the *system* makes the book last *many years longer*, though not at all increased in size. Many of the Church Records of the former style have been soon thrown aside, because the space which was allotted to the entry of names commencing with a particular letter had been filled; and this has occurred although divisions assigned to other parts of the alphabet might have been very little used. Under the present system this can never occur.

In the COMPREHENSIVE CHURCH RECORD there are nine departments, grouped in three divisions, as follows:

- | | | |
|---------------|---|--|
| 1st Division. | { | 1. Historical. |
| | { | 2. Pastoral and Statistical. |
| | { | 3. Chronological Record of Official Members. |
| 2d Division. | { | 4. Class Record. |
| | { | 5. Probationers. |
| | { | 6. Members. |
| 3d Division. | { | 7. Marriages. |
| | { | 8. Baptisms. |
| | { | 9. Appendix. |

The manner of making the entries in these different departments is as fully explained on the title-page of each department respectively as the case may seem to require.

The COMPREHENSIVE CHURCH RECORD will be bound up in three different sizes, so as to meet the wants of Churches of every grade, from a membership of one hundred to a thousand. Each book, however, will embrace all the departments, and retain the relative proportion of the several parts.

By the use of this book we shall have uniformity in our Records throughout our entire work, so that a minister having learned the manner of keeping them in one charge will be prepared to keep them properly in any other charge to which he may be sent.

Trusting the COMPREHENSIVE CHURCH RECORD will give increased and general satisfaction, we commend it to the favorable consideration of the Pastors and Presiding Elders.

Historical Record.

EXPLANATIONS AND DIRECTIONS.

THIS department is intended to contain a brief record of every thing of importance connected with the history of the Church using it. If an old Church, then a brief history of its organization, and of its difficulties and successes, etc., should be entered first, embracing from five to ten pages. After that, each Pastor will be expected to add a page or two at the end of the Conference year, giving a brief account of such matters in connection with the Church as he may deem of sufficient importance to be preserved among its records. Brief obituary notices of distinguished members may be inserted, provided the entire record of the year does not exceed two pages closely written.

Talbot Circuit embraces the Bay side and Broad creek neck portions of Old Talbot circuit consisting of four churches, namely Bay side, Silghman's Island, B. C. Neck, Chatham's Chapel all in good repair except Silghman's Island. The division of the circuit took place at conference of 1873 held at Bryans Del. during Rev. S. Hough's term ~~of~~ of Office as presiding Elder of Eastern District Wilmington conference. During the summer of Eighteen seventy eight a house and lot was purchased, in Gay's neck, for a parsonage, for the sum of Five hundred and fifty dollars - \$550. -

The new church (M.E.) was built on Silghman's Island in the year 1879 during the pastorate of Ed. Hofferster. The cost was three thousand dollars (\$3,000) The building committee was composed of J. S. Shaumahan, John W. Gibson and James A. Cooper. Mr. R. R. Phillips of Royal Oak was the builder. The church was dedicated Nov 30th 1879 - Rev. J. B. Mann, J. E. Smith, and T. D. Valliant preaching during the day. The conf. year of Bro. E. Hofferster closed with the work in a good condition. The conf. of '80 met at Dover Del. with Bp. C. G. Andrews D. D. presiding. T. E. Mendenhall was app. P. E. of the Eastern Dist. John Warsham in charge of Talbot Circuit, he was once the junior presb. on the old Talbot circuit with H. Colelagu in charge in 1874-75. The Wilmington met at Lewis Del. in March 1881. Bp. Bowman the presiding Bp. J. Warsham was reappointed to Talbot circuit. in the early part of the year Sutton Hunt one of Stewart at the Chapel Hill, it was a great loss to the church at that place, in Aug a camp-meeting was held. had 45 sers. 34 conversions it was followed with a good revival at the Upper B. Creek neck church.

Broad Creek
Repairs

March 1882 J. Elmer Kidney was appointed to Talbot Circuit, During this year the Church in Broad Creek Neck, known as the Broad Creek M. E. Church, was removed and repaired, inside and out, at a cost of \$500.00 The repair consisted of a new front, and outside vestibule, new pulpit, swathe and pulpit arrangements inside and the entire building painted inside and out. The reopening service was held

Parsonage Debt,

April 25, 1883. Parsonage debt of \$103. was paid in October, During the Conference Year Revival meetings were held at all the churches and fifty persons received on probation, mostly on the Island and at Chatham.

1883

Bay Side

J. Elmer Kidney was returned, A. Subscription was started in July and \$200. received toward the improvement of Bay Side Church, but owing to a failure in Mr Hamblin to stand to his bid, work was deferred until the fall Spring.

Island, Revival,

A. Successful Revival was held on Tilghmans Island resulting in 60 conversions.

.. Debt.

A debt of \$100. on Tilghmans Island Church, A successful Revival was held at Bay side which resulted in the quickening of the church, and 28 Probationers.

At the fourth Ec. Conference a Committee of three were appointed to secure a lot on the lower part of Tilghmans Island, as fol:- James Duncan, — Jones Taylor,

1884

A. P. Priddyman was appointed to Talbot Circuit ^{in March} In June a debt of \$50. on Broad Creek Church was paid. In May the Parsonage Trustees moved their factor from the old parsonage in Bay Side Neck, which was much dilapidated, and secured him a home in St. Michaels, and sold the parsonage property for \$400.00 During the fall the question of repairing the Bay side Church was agitated by the pastor but nothing was accomplished

Historical Record.

except that near \$200⁰⁰ was added to the subscription and money already in hand. Revival meetings were held at all the churches resulting in the quickening of other members and the conversions of several, especially on the Island and at Broadcreek.

In January '85 the Bay Side Church sustained a great loss in the death of Mr. J. Wrightson, a young man of sterling worth.

1885.

At the Conference of 1885 A. P. Paltzman was returned to Talbot Circuit. The Steward still rented him a home in St. Michaels.

During the summer and fall the Bay Side Church was remodeled and repaired at a cost of \$1500⁰⁰ all of which was provided for in cash and reliable subscription. The reopening services were held the first Sunday in November, preaching morning and evening by Rev. C. H. Richardson of Broadway M. E. Church Balt. Rev. J. Nathman, a former pastor was also present and did efficient service in raising the finances. The day was a ^{ful} wonderful success, financially, considering that money was so scarce and times so hard. For the people of Talbot Circuit never saw such scarcity of money in all their history as they had in the years of 1884 & 1885. Yet on the day of the reopening the whole amt. asked for \$1400⁰⁰ was raised in cash and good subscription.

As during the previous year, revival meetings were held at each church, but owing to the inclemency of weather, no remarkable success resulted. The churches were revived and about 15 professed conversions.

At the fourth Quarterly Conference a petition was made to divide the Circuit either making Telghmans Island a Station, or setting the Island and Bay Side off together as a

separate charge. Tylhinnun Island people became very enthusiastic about it.

at the Conference held at Elkton M.D. 1886. D. Gollie was appointed to the Talbot Circuit which constituted Broad Creek

neck, and was returned to the same circuit again in 1887. in 1886 a glorious revival of Religion swept over the circuit, and very money was added to the church and they are standing firm today, and we trust may continue to stand until the Lord will say to them Well Done and then they may enter into that glorious rest in Heaven as many others has done

1888

March '88 H. K. Miller was appointed to supply on Talbot Circuit - Broad Creek Church was divided in its membership & a spirit of discontentment prevailed - Chatham Chapel had been closed for seven months & no meetings held in that part of the circuit, but by the loan of a dwelling house we were able to hold meetings until we repaired the church which cost about five hundred dollars; the amount being raised before & at the dedication, which was conducted by Wm. B. Walton & James A. Brindle B. B. preaching the dedicatory sermon.

Our Sunday schools are in a thriving condition, the one at Chatham Chapel being kept up all winter, the first time in the history of the church. We think Talbot Circuit is about to dawn into brighter days.

Historical Record.

1889 At the session of levy held in Easton March 20th. Talbot ~~Circuit~~ & Royal Oak circuits were united, to better enable them to support a preacher. J. D. Reese was appointed as Pastor.

Royal Oak being set off, and Broad Leek and Chatham Chappel formed into Talbot Circuit, Rev. Alfred Smith was appointed Presiding Elder of Easton District and Rev. J. M. Collins pastor of Talbot, et. Early in the year a House was rented and furnished for a parsonage. Soon after coming to the charge we called a meeting to consider the advisability of building a parsonage. A lot containing one acre was obtained from W. S. Grace and a neat and substantial house built at a cost of one thousand dollars all of which was provided for - the Ladies Aid Society agreeing to pay a note of four hundred dollars. During the fall a successful revival was held at Chatham Chappel resulting in the conversion of 20 souls a protracted service was also held at Broad Leek but no apparent success was realized.

1892 J. M. Collins was returned

Historical Record.

At the session of Conference held at Syracuse N.Y. March 20th 95. J. F. Anderson was sent to Talbot Circuit - Without intending to cast reflecting upon my brethren & simply to state facts & must say that their work was in bad shape.

The first that claimed our attention was to provide a respectable place in which to worship. As the Old Church (Broad Creek) had to be such. But I am pleased to say that the people had a mind to do better. So work was commenced to renovate the Church and to their credit the "Ladies" with water & soap gave it a complete cleansing & then with paint & brushes cease not until the inside was completely changed from dark (benches & white galling) to a beautiful oak finish. The money was given by the brethren but the work to a large extent was done by the Ladies. After this the young men decided to paint the Church on the outside which was done. Donated the paint & work as well. Among the faithful in this work who stood by until it was completed in justice I must mention the names of the following R. G. Cooper, R. Thos. Bridges, J. H. McQuary, John B. Bridges, Geo. Jones many others assisted among them are the following J. W. Wang & W. J. McQuary, Pat McQuary, W. E. & R. J. Buckley & others. Then the "Cheerful Helpers" furnished Carpet & Matting (Previous to this the halls were Calsoned).

Then a rock porch on each side of Church with coal house in the rear. This was the work of J. J. Waightson & R. G. Cooper & donated by them. A door stoop in front of Church - Lamp on the outside (Street Lamp).

The Kings Daughters of which Mrs Anderson was Leader with Mrs J. A. Leathers Aeth Presented the Church with a handsome Communion Service \$25.00 - Six - Good Plates Also Pluck Cushion for Bible Pulpit Hygeinal Collection Plates at a cost of \$10-

Historical Record.

Tarsomage

This work was done by Tarsomage & wife - without cost - except for material. Chimney in sitting room had to be torn down to first floor & rebuilt. Sitting room was also painted by T & wife. A summer kitchen built garden fenced in. Water closet moved back. Stumps taken out of yard - front gate (drive gate) changed from stable to front. Carpet for sitting room. Mattings for two others. 1 set chairs. 3 stoves (Cook Coal & wood stove).

inside

Window Curtains for sitting room. Wall Sump. Door bell lattice on back porch. Tarsomage had only been primed so money was collected to buy paint & the work was done (J. E. Tarsomage painted).

In this also must I mention the faithful ones who did the work gratis. J. H. McQuay, R. Thos. Bridges, John B. Bridges, Pat. Galt, William E. McQuay, Frank Valiant, Samuel Wales, Robert Junk and John W. Ball.

1897

CHRONOLOGICAL RECORD

OF

Official Members.

EXPLANATIONS AND DIRECTIONS.

THIS Record, as its name indicates, is designed to contain a list of the Official Members in the order in which they were appointed. The first Record should be made out so as to have all holding the same office (say Trustees) together, beginning with the oldest in office and coming down to the last appointed. The list should embrace Local Preachers, Exhorters, Leaders, Trustees, Stewards, and Sunday-School Superintendents. After the first list is made out, the Officers' Names will appear in the order of their appointment without regard to the Office held. Whenever one ceases to be an officer of the Church the proper record should be made as to the time of the removal and the manner, whether by *Expiration of Term, Resignation, Removal from the Church, Death, or Expulsion*. The fact of his removal may also be indicated by placing in advance of the name a check mark (✓) in red ink.

EXPLANATIONS AND DIRECTIONS.

THE blanks in the second space at the top of the page are to be filled with the *Number* of the *Class*, the *Name* of the *Leader*, and the *place where* and the *time when* the class is held. The Class Lists should be carefully transcribed in numerical order at the close of each Pastoral term, inserting *full name*, *state in life*, and *present residence*, (the last with pencil mark.) Any change of state in life occurring during a Pastoral term should be entered in the second column under the proper heading. Changes in residences should be entered in pencil under the head of Remarks, and when the lists are transferred carefully rubbed off again, so as not to deface the book. All other notes entered under the same heading, such as *Transfers*, *Deaths*, *Removals*, *Resignations*, or *Expulsions*, should be entered permanently with ink. The Numbers of the Classes should remain the same from year to year. The register numbers will be found convenient in making out Quarterly Reports, as they will save the trouble of a recount every time you wish to know the number of members in the several classes.

Probationers' Record.

EXPLANATIONS AND DIRECTIONS.

It is not intended in this department to insert the names of Probationers alphabetically, but simply in the order of time in which they became related to the Church as Probationers. This method is what is termed the "Promiscuous Entry."

After making all the other entries in regard to the particular probationer, such as "State in Life," "Residence," "When Received," etc., put the first letter of the surname as a capital letter in the column appropriated to that letter (observing that two letters are given to each space), and the second letter of the surname, in small size, in the column for the second letters.

Whenever you may want to find the name of any particular probationer cast your eye down the column where the initial letter of the name you seek should be, and you will readily see whether the name is on the page or not, and so on for as many pages as there may be probationers.

The general headings in this department need little explanation. The double rulings under "State in Life" are designed for a second insertion in case that state is changed during probationship. In the double rulings under the headings, "When and How Baptized," and "When and How Disposed of," the first column is to contain the date, and the second the answer to the "How." This in the last column ought to be explicit, as to whether the parties have been *Received into Full Membership*, have *Removed*, have been *Dropped*, have *Withdrawn*, or have *Died*. Care should be taken in receiving Probationers not only to get the names and the classes they propose joining, but also the residence, the state in life, and the fact as to their being baptized or not.

The names of Probationers should not be entered upon the Alphabetical Record of Members until formally received into full connection by the Pastor.

ALPHABETICAL RECORD

OF

Members in Full Connection.

EXPLANATIONS AND DIRECTIONS.

IN recording the names of *Members in Full Connection* turn to the accompanying example under this department. You will see that the names of such members are entered alphabetically, both with reference to the *first*, or initial letter of the surname, and also of the *second* letter in the name. The initial letter of the surname is put in the proper marginal column in the red lines as a *capital* letter, and made large in size; the second letter of the surname should be written as a small letter, between the purple lines, which space is appropriated exclusively for the second letters.

After transcribing the entire list of *Members in Full Connection*, according to this alphabetical order, put the names of members joining the Church subsequently to the transcription of the list on consecutive lines, as may be seen in the example of "*Promiscuous Entry*." When the list needs to be transcribed again on account of the number who have died, married, removed, etc., the names in the *Promiscuous Entry* should be entered in their alphabetical order in the newly-written list. By following this system no line in this department is lost.

There are two ways of being sure the first letter of the surname is in the right place: (1) By tracing down the proper column with the eye. (2) By counting across the number of the columns from the left to the right, opposite the name which is to be designated, until the column is reached, the number of which corresponds with the letter desired to be entered. The columns are numbered as well as lettered, in order to aid in such counting.

This Record is intended to embrace the names of all persons now in Full Connection with the Church, or that may hereafter be admitted by Certificate or examination; the same to be entered in an inverted order (that is, the last or surname first) under their appropriate letters, with *State in Life, Time of Reception, Manner of Reception*, (whether by *Certificate, without a Certificate* from some Evangelical Church, or by *examination* from Probation,) the *Name of the Pastor* receiving them, and the *Number of the Class Joined*. This list may be rewritten as often as necessary, omitting those who have removed or have died, etc. Any changes occurring at any future time in the *State in Life* should be noted in the columns under that head. So also changes in class should be noted under the head of "*No. of Class*," the last number always indicating present class relationship. Under the head of "*Remarks*" should be entered a note of *Deaths, Withdrawals, Expulsions, or Removals*, either with or without a Certificate. In the case of Removals without a Certificate the record should be made in pencil, so that if the parties return and claim their membership they can be reinstated by simply removing the record, without either rewriting or defacing the book.

Marriage Record.

EXPLANATIONS AND DIRECTIONS.

IN this record, it will be observed, a space has been provided for the record of each Marriage separately. Care should be taken at the time of the Marriage to obtain all the items specified in the headings, and then, after having entered the date with the year first, (say 1873 | Jan. 8, |) make the proper entries of the Male in the first line of the space allotted, and those of the Female in the second. Under the head of "Remarks" may be noted any thing peculiar in the parties or important in connection with the Marriage.

This Record should be kept correctly and with very great care, as it often becomes a matter of vital importance, both to the parties themselves and their heirs, to be able to prove the fact of their Marriage.

Record of Baptisms.

EXPLANATIONS AND DIRECTIONS.

EACH item here enumerated should be carefully entered, as, in the case of orphan children, the Baptismal Record is often the only means by which they could prove either their age or their parentage.

When adults are baptized, the *Names of Parents* and the *Dates of Birth* may be omitted, except it be in the case of very young persons, who can have no delicacy in giving the necessary information. The Mode of Baptism, though well-nigh uniform in our Church, may be specified as an item of interest in the future. Under the head of *Remarks* may be entered any thing in connection with said baptisms that the minister may deem sufficiently important to notice. In entering the Date of the Baptism in the double column on the left, it will add to the appearance of the Record to put the year on the margin, and the month and day in the next column, thus: 1873 | April 15, | instead of April 15, 1873. As the year will not be repeated so frequently, it will leave a wider and neater margin.

Appendix.

EXPLANATIONS AND DIRECTIONS.

THIS department of the Record, as will be seen, is furnished simply with head and side rulings, being designedly left without any printed headings, that it may be adapted to any purpose that may be desired. If, for example, any other department should prove to be too small, a portion of this Appendix could be so ruled and headed as to supply the deficiency. Or if it should be desirable to preserve some *report*, or some other item of interest in connection with the Church, that did not properly come within the province of any of the other departments, it could be entered here. Or if the officary of the Church should desire to have a *Chronological List* of its deceased members, or anything of the kind, it could be placed here. Care, however, should be taken, in using this department, not to occupy too much space with any one item, as it may be needed for others of *equal* if not *greater* importance.
