OF THE
Treasurer of the Western Shore.

WESTERN SHORE TREASURY OF MARYLAND,
Annapolis, January 9, 1833.

*To the Honorable,
The House of Delegates.*

The Treasurer, in obedience to their order of yesterday, has the honor to report, that,

Thirty instalments of the State's subscription to the Stock of the Chesapeake and Ohio Canal Company, have been paid—amounting together, to \$375,000

And that 20 instalments of the State's subscription to the Stock of the Baltimore and Ohio Rail-Road Company have been paid—amounting together to, \$275,000

That no instalments are now due to either company.

That he is not informed of what instalments are likely to be due to either, in the current year—except of four, by advertisement, already called for by the Canal Company, of which two of \$12,500 each, are required to be paid on the 2d and 15th of February next; and the other two, each of the same amount, are required to be paid on the 1st and 15th of March next.

That, before he paid the Rail Road Company, he was certified, as the act of 1827, ch. 104 requires, that each instalment had already been paid by individuals and private corporations, stockholders to the amount of three millions of dollars—and that, before he paid the Canal company, he was certified as the act of 1828, ch. 200 requires, that each instalment had previously been paid, by other Stock holders, to the amount of two and a half millions.

That from the Rail Road Company, he has received dividends to the amount of \$8,625, and that he has not received any from the Canal Company.

Most respectfully,

Their obedient servant,
