

RESOLUTIONS

Resolved by the General Assembly of Maryland, That the Chesapeake and Ohio Canal Company, have not forfeited all claims to any future favors from this State.

2. *Resolved, That it is the opinion of this Legislature, that the charter of the Chesapeake and Ohio Canal Company will not be liable to forfeiture, in case one hundred miles of the Canal be not completed, as the charter provides, within the term of five years from its commencement; but that, that company is entitled to an allowance for the completion of the same, of so much time, from the expiration of the said five years, as was unavoidably lost in litigation for the prior right of way above the Point of Rocks, with the Baltimore and Ohio Rail Road Company.*

3. *Resolved, That it be recommended to the Chesapeake and Ohio Canal and the Baltimore and Ohio Rail Road Companies to agree upon terms mutually acceptable, for a joint construction of the Canal and Rail Road along the narrow and difficult passes between the Point of Rocks and Harpers's Ferry, as an object desired by this State, and deemed promotive of the best interests of both companies under existing circumstances.*
