Of the select committee of the House of Representatives, to whom was referred so much of the message of the Governor, as relates to the tariff, to the principle of protection and to the doctrine of Nullification.

The select committee to whom was referred so much of the message of the governor, as relates to the tariff, to the principle of protection and to the doctrine of nullification, have had the same under consideration, and have instructed me to report a preamble and resolutions which they respectfully submit to the house for its adoption.

Your committee, deeply impressed with the present alarming crisis in our history, have given to the subject that profound consideration, which its paramount importance so justly demands.
