

RESOLUTIONS.

STATE OF NEW YORK:

IN SENATE, *February 16th, 1833.*

Resolved, (if the Assembly concur,) That we regard the Union of these states as indispensable to their prosperity and happiness; that we participate fully in the desire which has been manifested by the President to restore harmony and conciliate affection amongst all the people of the United States, by a seasonable and equitable modification of the tariff, adapting it to present condition of the country; that we approve the measures he has adopted and recommended, to sustain the authority and execute the laws of the United States; and that the government and people of this State will cordially co-operate with him in the exercise of the means which may be necessary and proper to secure those objects.

Resolved, (if the Assembly concur,) That we regard the right of a single state to make void within its limits the laws of the United States, as set forth in the Ordinance of South Carolina, as wholly unauthorised by the Constitution of the United States, and in its tendency subversive of the Union and the Government thereof.

Resolved, (if the Assembly concur,) That we dissent from the doctrine, that a single state has a right to withdraw itself from the Union against the wishes of its co-States, whenever in its sole judgment the acts of the federal government shall be such as to justify the step.

Resolved, (if the Assembly concur,) That the Governor be requested to transmit a copy of the foregoing report and resolutions to the Executive of the State of South Carolina, and to the Executive of other States respectively, to send that they may be communicated to the Legislature thereof, and also a copy of the same to the President of the United States, and to each of our senators and representatives in Congress.

By order,

J. F. BACON,
Clerk of the Senate.
