

WESTERN SHORE TREASURY,

ANNAPOLIS, January 31, 1834.

*To the Honorable
The House of Delegates.*

GENTLEMEN,—In obedience to your order of the 21st inst. "that the Treasurer report to the house a comparative view of the revenue and expense, &c. of the government for the last ten years," he has prepared and submits the accompanying exhibit, which, for the two first years, is unavoidably defective—and especially in that, the revenue for *Licenses* received in those years into the Eastern Shore Treasury, is not included in that item, but in that of miscellaneous revenue, there not being in this treasury any document from which its amount might be distinguished.

Most respectfully, gentlemen,

Your obedient servant,

GEORGE MACKUBIN,
Treas. W. S. Md.
