of Maryland.*

By an act of the General Assembly of Maryland, a copy of which is herewith submitted, the Baltimore and Susquehanna Rail Road Company were authorised to obtain the guarantee of the State for the interest of a loan, to be negotiated by the company, provided the state should be made secure from the payment of the said interest, by a satisfactory policy of insurance.

The Baltimore and Susquehanna Rail Road Company being desirous of availing themselves of the provisions of the said act, request to know upon what terms the General Insurance Company will insure that the Rail Road Company will punctually pay the interest on such loans as they may effect, agreeably to the said law.
