

It was not levied in Worcester, for 1833 or 1834.  
It was not levied in Calvert for 1834.

It does not appear to have been levied for 1833,  
in Queen Annes, Somerset or Washington.

It does not appear to have been levied for 1834, in  
Dorchester or Someset.

From Allegany, Baltimore (county,) Queen Annes,  
and Washington, no returns of the levy for 1834, have  
been received, but in Washington, it must have been  
levied for 1834, as the collector has paid it into the  
Treasury.

Very respectfully, gentlemen,

Your most obedient servant,

GEORGE MACKUBIN,

Treasurer W. S. Md.
