Western Shore Treasury, }

WILLIAM K. LAMDIN, Esq.
Treasurer E. S. Md.

DEAR SIR,

I send you a copy of an order of the House of Delegates of the 13th, and request you to give me by mail as early as possible, the information it calls for.

Be pleased to add any other information on the subject, which you may have or may be able to obtain—such as, the amount of dividends, if any, to the credit of the State on the Books of the Company and not yet paid by the Company—and why they have not been paid.

All I know of the matter is, that the enactment referred to in the order, authorised the E. S. Treasurer to make such an investment. Further, I could say only, that I have *heard* the investments was actually made, and that undrawn dividends stood to the credit of the State on the Company's Books.

My purpose is, to communicate your answer to the House.

Very respectfully,
GEORGE MACKUBIN,
Treasurer W. S. Md.
