

MR. JONES, of Balt., Chairman.

REPORT
OF THE
COMMITTEE
ON THE
COLORED POPULATION.

BY THE HOUSE OF DELEGATES, }
March 21st 1835. }

Read the first and second time by special order, and assented to.

By order,

G. G. BREWER, Clerk.

The Committee on the Colored Population have had under consideration the several matters hereinafter referred to, and respectfully submit the following

REPORT:

The order instructing them to "enquire into the expediency of so modifying the law regulating the appropriation to the Colonization Society, as to make it obligatory upon the managers to expend the annual appropriation of \$20,000 on the part of this State, exclusively towards the removal of that part of the colored population of this State, who were free antecedent to the passage of the law granting said appropriation," has claimed and received their most serious deliberation, and they are of opinion, that the adop-
