and attempted to escape unnoticed from his house; but he was pursued, overtaken, and, when tied, escorted beyond the limits of Montgomers, and told if he was ever caught again in the county, a severe punishment would be dealt him.

A man named Linthicum, who has been for some time supperted of giving "aid and comfort" to Leamon, Appleby & Co., was heard to utter some treatening language against a gentleman prominent.

fort" to Leamon, Appleby & Co., was heard to inter some threatening language against a gentleman prominent in the removal of Appleby, was also notified to leave the county within two weeks. He has promised to do so. Other persons suspected of being sympathisers with this lawtess and corrupt band, are being Oper's watched, and may have to the county of the control of the county of the county within two weeks. He has promised to do so. Other persons suspected of being sympathisers with this lawtess and corrupt band, are being Oper's watched, and may have to the county of the county of

of self-pregration prompts men to act othcrwise that as first sight sooms right and proper, yet been the approbation of every good and more man in the community.

This, we think, og of those cases, and we say, Grd speed then in the work they have to nouly begun.

NEGRO MEETING DIEFETED .- On Sanday last, there was an immense occurre of negroes, numbering, some twelve's fileen hundred, numbering, some twelve's fileen hundred, numbering, some twelve's fileen hundred, near Bandy Spring, in this ounty, profess edly for religious worship, buy gathered there from every portion of the ounty, from there from every portion of the ounty, from near Handy Spring, in time ounty, professed there freme every portion of the ounty, from the professed county, and from Baltime city and the District of Columbia. Meethy of this kind, were, at one time, quite frequit in this county, and were not then regard with much disfavor; but the corrupting disenses of abplitionists and, negro-scaler have been so dangerous to the stave literest tour county, that begro meetings, forey purpose, and exceedingly distanteful, an laddeed are dissipated of by almost avan body, to county, that begro meetings, forey purpose, and exceedingly distanteful, an laddeed are dissipated of by almost avan body, to consider the most was being held, help, with commendal promptness; the fifth warm of this town, if Huesins, of Berry's its fifter, that this meet was being held, help, with commendal promptness; the fifth warm of this commendal promptness; the great of the posses and make it appearance upon help required, and with difficulting the great of the second one. The commendal promptness; the great of the second one will be papers of this second one held. Same force indeed to see well year the unput being of mourning for third with, a greater par those assembled. Same force indeed in powered and the beautiful and the papers of this country to the family, and be published in the papers of this second. That are copy of this minute be forwarded to the family, and be published in the papers of this second one held. Same force indeed to the family, and be published in the papers of this second. The complete of mourning for third days.

J. HONTGOMERNY VEINS, Com. armed with a revolver an little drunk committed to bur jail in thermoon.

We hope there will not another exort ids to bold a strailet men at that place,

for we are quite sure that clisters have for we are quite sure that clisters have februals his tired by all fathering in the conseque, he what they may

Dasgar - We regret to hear, from every portion of our county, the most distressing accounts of the long confined, drought.—Streams are falling—springs chasing to flow pasture firstly no longer and did great for live stock—corn and potatoes have ceased to grow, and flows are entertained that there will be a fillure in these more—gardened are parched and dry—indeed, byery thing vertical.

by attempting to break in by violence a prevalular in right of the law, and they desert it proppersive by the successful only so far the to draw deserved below on a his own cause. In Lowell, Hassache been more successful, and have just bruchen up a Brecklanting, and Lane convention, and fairly turns, the speakers one of whom was been more successful, and have just bruchen up a Brecklanting and Lane convention, and fairly turns, the speakers one of whom was been more successful, and fairly turns, the speakers one of whom was been more successful, and fairly turns, the speakers of one of whom was been more successful, and fairly turns, the speakers of one of whom was been more successful, and fairly turns, the speakers of one of whom was been more successful, and the province of the successful form peaking by the howls, groans, and other holtes of the rewlies who understook in this disgraceful manner to prevent an took in this disgraceful manner to prevent an it. Lowell. We hope thy see proud of their achieves the fairly of the form of the successful manner to prevent an it. Lowell. We hope they see proud of their and Union calls a "contrastion of the citizens of flockwills" and successful the form of the successful the form of th

ers with this lawless and corrupt band, are being closely watched, and may have to follow their brethern in crime beyond the confirm of Monigomery county.

They are because of the limit, and the law fails to meet the singenty of the limit, and the law for self-pre-graine permute the limit, and the law of self-pre-graine permute the limit.

Death.

Dien on the 18th ultimo, of consumption, (aged in years) at Milroy Pa., Mr. JAMES C. DELLUTT, for several years a resident of this county, and a ruling Elder of the Presbyterian Church, at Darmestown. He was a true-frend—a good, citizen, and devoted Chestrian.

Christian.

At a meeting of the Pleasant Hill Lodge,
No. 07 I. Q. O. F., of which he was a mem-ber, the following presuntle and resolutions

Whitham in the death of Mr. James C. Drissil, this Lodge has lost a much-loved and faithful member, we estimate withhold the public entiression of the diong side which pervades our hearts on so indurated an event:—

with a firm obstruction.

3D. The arrangements for distributing
the seed, is by two vulcanized rubber
rollers, revolving together, which discharge the grain by a constant stream,
without breaking it or choking; and
no irregularity of the ground, or fast
or slow motion of the team, will raty the quantity sown to the see. It or slow motion of the team, will rary the quantity sown to the acre. It
cannot be choked by straws or white
caps in the wheat, as the rollers will
carry them through. The quantity
sown is regulated to any desired amount instantly, when standing or in
motion.
