THE subscribers desire to call the attention of the Farmers and Thrashermen of Montgomery and adjoining counties to their Improved Machine for the present year. This machine has now been before the public for six years, during which time it has earned for itself the reputation of being the best Separator in use; and we have made some very important improvements and additions for the present year, which renders it still more perfect, and we take pleasure in recommending it to the public, knowing that it cannot fail to give general satisfaction. We are now manufacturing two different sizes, as follows:
No. 1, the largest size, is 8-horse power, 36-inch Iron Cylinder, Trunk 37½ inches wide, with Stacker, delivering the straw 30 feet beyond the feeder and upon the stack 16 feet high, and can be easily managed either to carry the chaff with the straw, or deliver it in a separate place if required. It bags the grain, by reasonable management, sufficiently clean for market, and its capacity, under ordinary circumstances, is from 20 to 40 bushels per hour, or from 200 to 500 bushels per day, using eight horses and the same number of hands; but to force the work, under the most favorable circumstances, it will do considerably more, or, with the same number of horses and less hands, it will thrash and clean as much or more grain per day than any other machine now in common use and with much more ease and agreeableness to the hands.
No. 2 is the same as No. 1, except something less in size and capacity; it is from 7 to 8-horse power, 30-inch Iron Cylinder, Trunk 31 inches wide.
Persons having good Threshers, can have Separators, suitable to their capacity, attached, at a comparatively small cost. All our machines are sold under a warrantee.
We being practical mechanics, and being engaged in the manufacture of these machines for the last five years, and one of us having the advantage of twenty years practical experience in the thrashing machine business, and having in our employ the most skilful workmen, and using the best material we flatter ourselves that we are now prepared to manufacture these celebrated machines in the most substantial manner.
REPAIRING done in workmanlike manner. All our work warranted to give satisfaction, or no sale. Orders respectfully solicited.

A GUANO CARD.
THE undersigned having noticed in the Rockville "Sentinel" an advertisement over the signatures of certain dealers in Guano in the District, would respectfully state to all Farmers, who trade in Washington, that, since his access to the business, he has uniformly and steadily sustained all efforts either at combination or low prices, as all his friends, and the dealers themselves, must bear witness.
On the contrary he has every season sought to keep the price of Peruvian Guano as near cost as possible, as his advertisements to that effect, and the low prices at which the article has been purchased from his establishment, will testify.
He is aware (and ready to the public its acknowledgments for the same) that notwithstanding certain interested on the contrary, his Guano stands in the highest repute among farmers of the surrounding sections of Maryland and Virginia, as always the purest and best article to be had.
As the undersigned has thus far, in his business career, been able to make a "LITTLE" profit on what he has sold, not as he believes every one has the right to regulate his own prices, he now has the pleasure to say, that, for this Spring, or until the close of the agents of the Peruvian government is changed, he will sell for ANY and all quantities the Purest Article of A No. 1 PERUVIAN GUANO, Warranted and Inspected at
$57.00 per 2000 Pounds.
Cash, in current funds.
Farmers are particularly assured that the Peruvian Guano sold by us, is all of the purest character, as I receive none that does not come direct from its Agents' Depot in Baltimore, every bag being the inspector's mark.
Farmers are further assured, that I keep no second class Peruvian Guano, and that my efforts, as heretofore, will be to keep the price as low down as possible.
Bear in mind, that it is your interest to buy a pure article, at the lowest price, at my Guano Depot, No. 218 7 Street above the Avenue.
