destiny of one be the destiny of all!—Suffer not a valiant sonto wander abroad, in indignation, to change his citizenship! If the time of struggle must come, die in malignant hatred, rather than live in humble submission! FIFTEEN.

Fact, Fun and Fancy.

ALWAYS do the best you can, with the expectation of being blamed by your most intimate friends for not doing better. You will thereby preserve a good conscience and avoid disappointment.

A MODEST CHILD.—School Marm—Thomas, what does B-o-n-e-h spell? Tommy—Don't know Ma'am. School Marm—Why, you little numb-skull, what are you setting on? Tommy—(looking sheepish)—I d-o-n-'t k-i-k-e to tell.

"WHAT are wages here?" asked a laborer of a boy. "I don't know, sir." "What does your father get on Saturday night?" "Get?" said the boy; "why gets as tight as a brick."

THE Boston Post advises a fair correspondent, who complains that the gentlemen did not rise to give her a seat in the horse cars, on the next occasion "to place herself in the lap of the best looking one in the crowd."

AN ODIOUS COMPARISON.—A monthly says "Woman is a link between earth and heaven." Prentice, of the Louisville Journal, says: "So is a sausage tobee in the air."

An Important Letter

From Rev. Jacob Seckler, well known and highly respected throughout the State of Pennsylvania:

HANOVER, Pa., February 16, 1859.

Messrs. S. W. Fowle & Co., Boston.—Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation—*Wistar's Balsam of Wild Cherry*—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hope of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle, there was a great improvement in her health. I have in my individual case made frequent use of your valuable medicine, and have always been benefitted by it.

I would, however, caution the public against imposition, because there is a good deal of spurious Wistar's Balsam of Wild Cherry about through out the country. JACOB SECKLER.

MILFORD, Del., October 25, 1858.

S. W. Fowle & Co., Boston: Please send me a supply of Wistar's Balsam, as I am nearly out, and there is a great demand for it; it is doing wonders; it cures *Coughs, Asthma, Whooping Cough and Consumption*, without fail. There has never been any of the genuine here until you sent me a lot some time since, but plenty of the counterfeit.

Yours, truly, JACOB P. FOUCK.

☞ REMEMBER, THEREFORE, *all who seek health*, that the only *genuine* has the *written* signature of "I. BUTTS," as well as the *printed* name of the *Proprietors, SETH W. FOWLE & CO., Boston*, on the *outside wrapper. Take no other*; it were money wasted and health jeopardized.

HAGERSTOWN ADVERTISEM'T.

GEISER'S PATENT SELF-REGULATING GRAIN SEPARATOR, CLEANER AND BAGGER,

AND THE LATEST IMPROVED

Iron Tripple-Geared HORSE-POWER,

All furnished Complete, if desired, on

Four Wheels.

THE subscribers desire to call the attention of the Farmers and Threshermen of Montgomery and adjoining counties to their Improved Machine for the present year. This machine has now been before the public for six years, during which time it has earned for itself the reputation of being the best Separator in use; and we have made some very important improvements and additions for the present year, which renders it still more perfect, and we take pleasure in recommending it to the public, knowing that it cannot fail to give general satisfaction. We are now manufacturing two different sizes, as follows:

No. 1, the largest size, is 8-horse power, 36 inch Iron Cylinder, Trunk 31½ inches wide, with Stacker, delivering the straw 30 feet beyond the feeder and upon the stack 16 feet high, and can be easily managed either to carry the chaff with the straw, or deliver it in a separate place if required. It bags the grain, by reasonable management, sufficiently clean for market, and its capacity, under ordinary circumstances, is from 20 to 40 bushels per hour, or from 200 to 500 bushels per day, using eight horses and the same number of hands; but to force the work, under the most favorable circumstances, it will do considerably more, or, with the same number of horses and less hands, it will thrash and clean as much or more grain per day than any other machine now in common use and with much more ease and agreeableness to the hands.

No. 2 is the same as No. 1, except something less in size and capacity; it is from 7 to 8-horse power, 30-inch Iron Cylinder, Trunk 31 inches wide.

Persons having good Threshers, can have Separators, suitable to their capacity, attached, at a comparatively small cost. All our machines are sold under a warrantee.

We being practical mechanics, and being engaged in the manufacture of these machines for the last five years, and one of us having the advantage of twenty years practical experience in the thrashing machine business, and having in our employ the most skillful workmen, and using the best material, we flatter ourselves that we are now prepared to manufacture these celebrated machines in the most substantial manner.

REPAIRING done in workmanlike manner. All our work warranted to give satisfaction, or no sale. Orders respectfully solicited.
