Baltimore and Ann Arundel
BRIDGE COMPANY.
 NOTICE IS HEREBY GIVEN, That the
 commissioners, appointed by law, for ope-
 ning subscriptions for a Capital Stock of Nine
 Hundred Shares, of One Hundred Dollars each
 Share, for the purpose of building a Bridge ac-
 cross the River Patuxent, at the place where the
 Lower Ferry is now kept, called Hopland, in
 Baltimore county, over said river into Ann Ar-
 undel county—Will proceed to open subscrip-
 tions, at the house of Mr. WM. EVANS, in the
 city of Baltimore, on MONDAY, the 30th day
 of July next, and continue open for three days,
 from 10 o'clock, A. M. until 3 o'clock, P. M. in
 each day; and at the counting house of JOHN
 MUIR, Esq. in the city of Annapolis, on the
 same days and hours above mentioned—and the
 said subscription shall remain open for those
 three days at the above respective places, and if
 it should happen that more than the stipulated
 number of Shares should be subscribed for on
 the above three days, then the Commissioners
 are to sortion them among the subscribers, by
 deducting from the highest subscriptions until
 they are reduced to the proper number; or if
 more persons subscribe than there are shares,
 then the Commissioners are to sortion to decide
 to whom they shall belong. And if the shares
 should not be all subscribed on the above three
 first days, then the Commissioners will again o-
 pen the subscriptions on Monday the 6th day of
 August next, at the aforesaid places and hours
 in the city of Baltimore, and city of Annapolis,
 and permit any person or persons, bodies corpo-
 rate or otherwise, to subscribe for any number of
 shares, until the whole number of nine hundred
 shares is completed, and then the commissioners
 will issue certificates to whom the shares may be-
 long, mentioning therein the receipt of 5 dollars,
 in part of their subscription, which must be paid
 in cash, on each share, at the time of subscri-
 bing; the other payments will be called for by
 the directors chosen from the stockholders as the
 bridge expenditures require, agreeably to the
 terms and conditions expressed in the law.
 The Commissioners beg leave to remark, that
 for the satisfaction and information of the public,
 they have had the road run by Mr. John Bould-
 ing, his attested plat of which is lodged at Mr.
 Evans's, whereby it will appear, that the dis-
 tance from Mr. Evans's tavern, in this city of
 Baltimore, to the Ferry landing, at Pottland, is
 24 miles and 70 perches, from thence across the
 river is 4 of a mile and 414 perches, and from
 the foot of the contemplated bridge on the Ann
 Arundel side of the river, in a straight line to
 Snowden's bridge, at the Furnace, is 16 3/4 miles
 and 60 perches, and this over remarkably level
 dry, even country—Thus we shall be enabled to
 travel from Baltimore to Washington, the Feder-
 al City, in 39 miles, besides the great superior-
 ity of road, whereas the present road is gene-
 rally estimated at 45 miles.
 Those natural advantages, added to a liberal
 law and charter of incorporation to this Bridge
 Company, by the legislature of Maryland, at
 their last session, who viewed it as of the im-
 portant importance to the interest of the city of
 Baltimore and Ann Arundel county, as well as to
 the public in general, most assuredly prove a
 productive fund to the stockholders.
