REMOVAL.

The Widow Paul,

IN behalf of herself and her children, returns her grateful acknowledgements to her kind friends and a generous public for the immediate relief, so unexpectedly given to herself and her family—And has now only to solicit their further patronage, in supplying her with sufficient employment to enable her to live by her own industry and the strictest economy—She has removed to the house where DeFor Stevenson formerly kept his office, in Harrison street, two doors from Market space, and continues to carry on the business of making and repairing umbrellas, and would be thankful for any kind of work in plain sewing, making children's clothes, &c.

Baltimore and Ann Arundel BRIDGE COMPANY.

NOTICE IS HEREBY GIVEN, That the commissioners, appointed by law, for opening subscriptions for a Capital Stock of Nine Hundred Shares, of One Hundred Dollars each Share, for the purpose of building a Bridge across the River Patuxent, at the place where the Lower Ferry is now kept, called Portland, in Baltimore county, over said river into Ann Arundel county—Will proceed to open subscriptions, at the house of Mr. Wm. Evans, in the city of Baltimore, on MONDAY, the 30th day of July next, and continue open for three days, from 10 o'clock, A. M. until 3 o'clock, P. M. in each day; and at the counting-house of JOHN MITCHELL, esq. in the city of Annapolis, on the same days and hours above mentioned—and the said subscription shall remain open for those three days at the above respective places, and if it should happen that more than the stipulated number of Shares should be subscribed for on the above three days, then the Commissioners are to apportion them among the subscribers, by deducting from the highest subscriptions until they are reduced to the proper number; or if more persons subscribe than there are shares, then the Commissioners are to cast lots to decide to whom they shall belong. But if the shares should not be all subscribed on the above three days, then the Commissioners will again open the subscriptions on Monday the 6th day of August next, at the aforesaid places and hours in the city of Baltimore, and city of Annapolis, and permit any person or persons, bodies corporate or otherwise, to subscribe for any number of shares, until the whole number of nine hundred shares is completed, and then the commissioners will issue receipts to whom the shares may belong, mentioning therein the receipt of \$5 dollars, in part of their subscription; which must be paid in cash, or each share, at the time of subscribing; the other payments will be called for by the directors chosen from the stockholders as the bridge expenditures require, agreeably to the terms and conditions expressed in the law.

The Commissioners beg leave to remark, that for the satisfaction and information of the public, they have had the road run by Mr. John Boulding, his attested plat of which is lodged at Mr. Evans's, whereby it will appear, that the distance from Mr. Evans's tavern, in the city of Baltimore, to the Ferry landing, at Portland, is 24 miles and 70 perches, from thence across the river is 4 of a mile and 4 1/4 perches, and from the spot of the contemplated bridge, on the Ann Arundel side of the river, in a straight line to Snowden's bridge, at the Furnace, where it intersects the present Federal road, is 16 3/4 miles and 67 perches, and this over remarkably level, dry, even country. Thus we shall be enabled to travel from Baltimore to Washington, by the Federal City, in 29 miles, besides the great superiority of road, whereas the present road is generally estimated at 45 miles.

These natural advantages, added to a liberal law and charter of incorporation to this Bridge Company, by the legislature of Maryland, at their last session, who viewed it as of the utmost importance to the interest of the city of Baltimore and Ann Arundel county, as well as to the public in general, must assuredly prove a pecuniary fund to the stockholders.

WILLIAM GOODWIN, PETER HOFFMAN, JAMES GUMM'D DUGAN, RICHARD CROMWELL, THOMAS LEE, HENRY HALL DORSEY, Commissioners.

100 Dollars Reward

FOR apprehending negro ROBBIN, who ran away from Dorsey's Forge, near the city of Baltimore, on Wednesday the 1st ultimo, a very black fellow, about 30 years of age, 6 feet high, short curly hair, which he very seldom combs; rather of a thin visage, has a good set of teeth; broad shouldered and tapers gradually down wards; his right leg formerly has been very sore and retains the scar on the shin bone. Indeed they have both been very sore; but the right much worse than the left. He is fond of strong drink, and after drinking is very apt to stammer or stutter when he speaks, though he speaks low and slow. He has been accustomed to working in the Forge, and is not a bad fireman, and can handle iron tolerably well. His clothing when he went away was, a country mixed full cloth jacket, a pair of new ditto breeches, a pair blue fulled stockings, osanbrig shirt, coarse shoes and hat; but as he is a notorious, artful villain, he will probably change his dress and obtain a pass. I will give the above reward including what the law allows, for apprehending and securing said fellow, and reasonable expenses if bro't home. ALLEN DORSEY, Manager At Dorsey's Forge. N. B. The said fellow took with him a light mixed cloth coat, a yellow jacket, and a pair of striped pantaloons. All persons are forewarned from harboring or carrying off said runaway. District of Maryland, to wit:

(L. S.) BE it remembered, that on the sixteenth day of June, in the twenty eighth year of the Independence of the United States of America, Samuel Butler, of the said District, hath deposited in this office the title of a book, the right whereof he claims as proprietor, in the words following, to wit:—"Ferdinand and Elmira; a Russian story—by a Lady of Massachusetts, author of Julia, the Speculator, and Amelia. A critic was of old a glorious name, Whose sanction handed merit up to fame; Beauties as well as faults, he brought to view, His judgment great, and great his candor too. No servile rules drew sickly taste aside, Secure he walk'd, for nature was his guide. "But now—O, strange reverse! our critics bawl, In praise of candor with a heart of gall; Conscious of guilt, and fearful of the light, They lurk embroiled in the veil of night: Safe from detraction, seize the unsavory prey, And stab like braycons, all who come that way." (Cicero's Apology) In conformity to the act of the congress of the United States, intitled "an act for the encouragement of learning, by securing the copies of maps, charts and books to the authors, or proprietors of such copies, during the times therein mentioned."
