Mr. Samuel Butler,
PENDLETON'S MEDICAL ALPHABET.
This is a concise view of the fundamental
principles of the Medical science, in which the
inconsistencies, noticed by opponents to the
popular system, are explained away by a judicious
modification of the theory. The works of Dr.
Darwin and Dr. Brown, author of *Elementa
Medicina* are frequently mentioned, and some-
times opposed; but it is presumed, that how-
ever the opinions of Dr. P. may be appreciated by
the Medical world, the genius and ingenuity
displayed in his little pamphlet, cannot fail to
command their admiration.

GENERAL COMPLAINTS.
DR. WARNER'S practice has been
very extensive both in public and pri-
vate, daily experience convinces him of the
propriety of his method of removing the
venereal disease, in preference to any medicine
yielded or known in Baltimore. He has re-
moved the most desperate cases, with ease and
dispatch, after the failure of every other
physicians both in Europe and America. Com-
plaints of the urinary passages, and discharges
thereof, from various causes, and accidents
removed in the shortest possible space of time.
As there are persons from various causes
cannot personally attend, it may be necessary
to inform them, they may be relieved from a
description of their complaint.
Dr. W. warrants a cure in all cases. Masters
of vessels and travellers may have their medi-
cines prepared that a safe, effectual and ex-
peditions cure may be effected, without the
least restriction in drink or diet.
N. B. Dr. Warner has removed from
Band-street, to Cornerland Row, No. 14,
below the North Market.
