Mr. Leaman

RETURNS his sincere thanks to the worshipful mayor of Baltimore, for his favor to the gardens for the Indian tribe of Orange dancing on Wednesday evening, July 25. Likewise shall with gratitude acknowledge the honor done him by the mayor, the corporation, and worthy citizens on that occasion. The brilliancy of the audience together with the novelty of the Indians' performance and situation of the place, exhibited a picture, perhaps, never witnessed in America. The greatest attention and decorum was observed. The disposal of the garden, the stage department, the mayor's box, and seats generally, were under the direction of Mr. Durang, and by his account, will show the immense expense it was attended with. Mr. L. thinks it necessary to add, that he presented the Indian chief with one hundred dollars.

French Night School—

Ecole Francaise.
NOTICE is hereby given, That I, the subscriber, Teacher and Translator of the French and English Languages, intend to open the FRENCH SCHOOL, in my common dwelling, on the 20th instant; and if 43 years experience, in giving tuition in this line, in different parts of the United States, wit success, are not sufficient to entitle me to a share of encouragement, I beg those promising youths, who have a desire to become scholars, to apply to friend Philip Thomas, at the sign of the golden key, Baltimore-street, where they can be acquainted with my short, yet grammatical manner of Teaching.
As I can devote some leisure hours in the day time, to the instruction of a few scholars, I should be happy to make an engagement.

This arrangement is forced upon him, by the multiplicity of cut door business, which renders it impossible for him to give that attention to their applications which his most sanguine wishes and a sense of gratitude for past favors prompt him. His employers are requested, if not convenient to call, to send their messages the day before his services are wanted at their own houses, and they will be strictly and gratefully attended to. VENEREAL COMPLAINTS.
AS DR. WARNER'S practice has been very extensive both in public and private, daily experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vended or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.
—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicine so prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond-street, to Chamberland Row, No. 64, below the North-market.
