TO
Merchants & Owners of Vessels
GENERAL:
AN Association having been formed by a
number of master Ship-Carpenters, under
the denomination of "The Baltimore Ship-
wrights" for the purpose of executing in the
most expeditious and workmanlike manner any
repairs in the said line of business—they
solicit a share of public patronage, and
inform that JAMES CONRAD, their president,
and JAMES W. HENSON and WILLIAM DAUM-
MANN, superintendents, on Fell's Point, are
prepared to receive all orders which merchants,
captains or others may favor them with. They
will for the present conduct their business, on
the wharf occupied by J. Wheelers, adjoining
Mr. Hollins's wharf, where they will al-
ways be provided with spars and other
materials for the shortest notice and on
the most moderate terms.
It is deemed expedient to notice, that all the
persons forming this association are masters of
their craft, and as they intend themselves,
personally, to give their personal application in
executing work for their employers, it is folly
to have faith in any score they will claim a
preference from those who make it an object to
have things done in a masterly manner.

To the Voters of the City and
County of Baltimore.
HAVING been encouraged by many of my
friends in the city and county, to offer myself as
a candidate to be put in nomination for the office
of SHERIFF, at the ensuing election, I hope it
will not be deemed improper thus early to signify
my intention, and to solicit the patronage of
my friends generally, and the voters of the city
and county at large.
Those who have not a personal knowledge of
me, will, on enquiry, find that I have been bred
to business, and have been conversant in mer-
cantile transactions from early life—Should my
fellow-citizens think proper, at the expiration
of the time of the present sheriff, to bestow on
me the office, I trust my conduct therein will be
such as will give satisfaction, if a diligent at-
tention and a faithful discharge of the duties
thereof, are capable of doing the same.

Dr. MACE'S
ANTI-BILIOUS TINCTURE & HEALTH-
PRESERVING PILLS
FOR preserving health in general, and espe-
cially for preventing the diseases of warm
climates and warm seasons, such as the cholera
morbus, dysentery or flux and lax, sickness of
the stomach and overflow of bile, ague and fever,
bilious yellow fever, liver complaints, bilious
pleurisy, bilious head ache, and jaundice or yellow-
ness of the skin and eyes.
It is here asserted with confidence, and with-
out the least fear of a contradiction, by the use
of these medicines, that they are the best reme-
dies for curing as well as preventing bilious com-
plaints of all kinds. A detail of many cases
might be given to prove this assertion, but the
following, which are taken from real facts, it is
hoped will be sufficient.
E. M. had been afflicted with a bilious com-
plaint six years, so that every summer he was
forced to take large doses of mercury or else he
was confined to his bed. By the remedies here re-
commended he has been restored to a good state
of health during the summer and fall. The ague
and fever with which he was formerly afflicted
very often has entirely left him.
F. M. was afflicted with jaundice or bilious
yellowness, and was perfectly relieved in 10 days
by the same means.
G. A. had been for a long time subject to
jaundice and bilious fever in the highest degree.
His face and eyes were very yellow, and he was
much swelled in the body. He had tried many
remedies recommended by physicians and others,
but without any benefit. He was, however,
soon cured by the remedies given in the above
cases.
L. T. had been for a long time afflicted with a
bilious complaint. He had applied to different
physicians, and had taken the usual doses recom-
mended in such cases to no purpose, but was
restored to health in a short time by the
above mentioned remedies.
B. B. was afflicted with a bilious fever in a
violent degree. He had severe pains in his head,
back and limbs, with a sick stomach and yellow-
ness of the skin and eyes, attended with a high
fever. He took a tea spoonful of the tincture
every hour or half an hour until better, and then
every two hours, together with the pills, and in
very few days was entirely restored to health.

The Anti-Bilious Tincture and Pills have been
taken by many in this city with the greatest
benefit that could be expected, to whom refer-
ence for further satisfaction may be made, if necessary.
On the Eastern-shore of this state, so far famed
for bilious complaints, the reputation of these
medicines is established upon the most solid
foundation. The inventor of them has not yet
known of a single instance in which they have
not been taken with all the advantage which
could be expected. Every day they are coming
more in demand, while their credit is increasing
in the same degree. Neither the tincture nor
pills contain any mercury, or any dangerous
medicine whatever; they are composed of simples
entirely, and are perfectly innocent. These
medicines are found, when taken for the preven-
tion of summer and fall diseases, to carry off
the bile in a gradual manner as it increases, and
thereby hinder its coming to excess. When taken
for the cure of bilious diseases, they carry
the bile away very speedily, but without any
inconvenience, and increase the strength of the
stomach and occasion a good appetite, by which
the patient is soon restored to health and spirits.
The price of the tincture is one dollar by the
bottle, and of the pills half a dollar by the box;
wholesale purchasers are supplied with both at a
dollar, which makes a generous allowance for
retailing. Sold at No. 21, Fell's-street, Fell's
Point.
The inventor of these medicines recommends
them upon principles which he will not hesitate
to avow upon a proper occasion. He detests a
character of a Neutrino-hoaxer; nor would he
willingly see the Mock-doctor of Mollat.

Baltimore and Ann Arundel
BRIDGE COMPANY.
NOTICE IS HEREBY GIVEN, That the
commissioners, appointed by law, for
opening subscriptions for a Capital Stock of Nine
Hundred Shares, of One Hundred Dollars each
Share, for the purpose of building a Bridge ac-
ross the River Patuxent, at the place where the
Lower Ferry is now kept, called P. Island, in
Baltimore county, over said river into Ann A-
rundel county—Will proceed to open subscrip-
tions, at the house of Mr. WM. EVANS, in the
city of Baltimore, on MONDAY, the 30th day
of July next, and continue open for three days,
from 10 o'clock, A. M. until 3 o'clock, P. M.
in each day; and at the counting house of JOHN
MUSA, esq. in the city of Annapolis, on the
same days and hours above mentioned—and the
said subscription shall remain open for those
three days at the above respective places, and if
it should happen that more than the stipulated
number of Shares should be subscribed for on
the above three days, then the Commissioners
are to apportion them among the subscribers, by
deducting from the highest subscriptions until
they are reduced to the proper number; or if
more persons subscribe than there are shares,
then the Commissioners are to cast lots to decide
whom they shall belong. But if the shares
subscribed be all subscribed on the above three
days, then the Commissioners will again
open the subscriptions on Monday the 6th day
of August next, at the aforesaid places and hours
above mentioned, in the city of Baltimore, and
at the counting house of JOHN MUSA, esq. in the
city of Annapolis, and to receive for any number
of shares, until the whole number of nine hundred
shares is completed, and then the commissioners
will issue receipts to whom the shares may be
long, mentioning therein the receipt of 5 dollars,
in part of their subscription, which must be paid
in cash, on each share, at the time of subscrib-
ing; the other payments will be called for by
the directors chosen from the stockholders as the
bridge expenditures require, agreeably to the
terms and conditions expressed in the law.
The Commissioners beg leave to remark, that for
the satisfaction and information of the public,
they have had the road run by Mr. John Scullin,
his latest plat of which is lodged at Mr.
Evans's, whereby it will appear, that the dis-
tance from Mr. Evans's tavern, in the city of
Baltimore, to the Ferry landing, at Portland, is
2 1/2 miles, and 70 perches, from thence across
the river is of a mile and 4 1/4 perches, and from
the foot of the contemplated bridge on the Ann
Arundel side of the river, in a straight line to
Snowden's bridge, at the Furnace, where it in-
tersects the present Federal road, is 16 3/4 miles
and 6 1/2 perches, and this over remarkably level,
dry, even country—Thus we shall be enabled to
travel from Baltimore to Washington, the
Federal City, in 39 miles, besides the great superior-
ity of road, whereas the present road is gene-
rally estimated at 45 miles.
Those natural advantages, added to a liberal
law and charter of incorporation to this Bridge
Company, by the legislature of Maryland, at
their last session, who viewed it as of the im-
portance to the interest of the city of
Baltimore and Ann Arundel county, as well as to
the public in general, must assuredly prove a
productive fund to the stockholders.

WILLIAM ODWIN,
PETER HOFFMAN, jun.
RICHARD DUNAN,
RICHARD CROMWELL, sen.
THOMAS LEE,
HENRY HALL DORSEY,
Commissioners.

100 Dollars Reward
FOR apprehending negro ROBBIN, who
ran away from Dorsey's Forge, near the city
of Baltimore, on Wednesday the 1st ultimo, a
very black fellow, about 30 years of age, 6 feet
high; short curly hair, which he very seldom
combs; rather of a thin visage, has a good set
of teeth; broad shouldered and tapers gradu-
ally downwards; his right leg formerly has been
very sore and retains the scar on the shin bone.
Indeed they have both been very sore; but the
right much worse than the left. He is fond
of strong drink, and after drinking is very apt
to stammer or stutter when he speaks, though
he speaks low and slow. He has been accus-
tomed to working in the Forge, and is not a bad
fineryman, and can handle iron tolerably well.
His clothing when he went away was, a coun-
try mixed filled cloth jacket, a pair of new ditto
breeches, a pair blue filled stockings, snabrig
shirts, coarse shoes and hat; but at he is a
notorious, artful villain, he will probably change
his dress and obtain a pass.
I will give the above reward including what
the law allows for apprehending and securing
said fellow, and reasonable expences if bro't
home.
ALLEN DORSEY, Manager
At Dorsey's Forge.
N. B. The said fellow took with him a light
mixed cloth coat, a yellow jacket, and a pair of
striped pantaloons.
All persons are forewarned from harbor-
ing or carrying off said runaway.
The printers in the different cities and
towns in the U. S. are respectfully requested to
give the preceding an insertion in their respec-
tive papers.

The Managers of this Lottery flatter them-
selves, from the elevated and healthy situation,
chosen by the Commissioners appointed for
building the Market-house, that it will be of
the greatest utility and advantage, to that part
of the city, and to the country in general; and
they leave to recommend it as an object worthy
of their encouragement.
As the above Scheme offers every possible
encouragement to adventurers, from the many
valuable Prizes it contains, and there being
considerably less than two Blanks to a Prize,
and all Prizes payable in 60 days after the draw-
ing of the Lot cry is completed without any
deduction, the Managers entertain the greatest
hopes of such a speedy sale of the Tickets, as
may enable them to commence drawing without
loss of time.
Such Prizes as shall not be demanded within
six months after the drawing is finished, will be
considered as relinquished for the benefit of the
Market-house.
For the satisfaction of the public, it may
not be unnecessary to inform them, that the
Managers have given bond to the State of Mary-
land in the sum of 30,000 dollars, for the due
performance of the trust.

CHRISTOPHER JOHNSTON,
EBENEZER FINLEY,
DANIEL LAMMOT,
JOHN KENNEDY,
Managers.
Tickets may be had of the above Managers,
Also of Messrs. John Seaboard,
M. O. Conrad & Co.
George Hill, and
James Rice.
And by such other persons as may be hereaf-
ter appointed.

John Hunt,
Perfumer, Hair Currier and Dresser to Ladies and
Gentlemen, near Market-street bridge,
DEGS leave to acquaint the ladies and gentle-
men of the city and vicinity, that she intends
cutting hair in future at twenty-five cents each,
at his own room; but for cutting hair out of his
house, the price will be fifty cents, as usual—
This arrangement is forced upon him by the
multiplicity of cut door business, which renders
it impossible for him to give the most atten-
tion to that application which his most sanguine wish-
es and a sense of gratitude for past favours prompt
him. His employers are requested, if not con-
venient to call, to send their managers the day
before his services are wanted at their own
houses, and they will be readily and gratifi-
cantly attended to: Saturdays and Sundays excepted.

THE subscriber takes this method of inform-
ing her friends and acquaintances in the
city of Baltimore, that she intends receiving
young, as Boarders, from 2 to 10 years of age,
at her house, about 1 mile above Randall's Town
and within 20 yards of an English School. And
as the situation is in a pleasant and healthy part
of the country, she desires herself that those de-
siring to place their children in such a situa-
tion, will apply to her with the charge of the same,
under the constant care, every requisite shall
be provided to render their education comfort-
able. CATHARINE BERT.
