American Manufacture.
CALICOES, Furniture Cottens, Shawls and Pocket Handkerchiefs printed and sold by the subscribers, at No. 13, Calvert-street.
To remove a distrust experienced in new undertakings, and often prejudicial to manufacturing attempts in America; they think it proper to observe, that nothing material is wanted in the business to enable good artists to perform the work here, as well as in Europe. That they have these artists—that two of the partners were bred to the business in a factory of the best repute, carried on by their fathers, and long afterwards by themselves. They trust that while foreign goods are received without a question, an unreasonable suspicion will not prevent their countrymen from giving an equal trial to such articles as they offer themselves—beside a natural doubt, there is room to fear, that certain interests, national, as well as individual, may suggest objections to their undertaking—it is necessary therefore to say, that work of the like kind, shall be as well executed here, as by foreign hands abroad. The colors capable of being fixed will be found to be permanent, the cloths capable of better substance, and the prices lower than of the imported cottons.
The customary credit will be given on good notes or acceptances in the city.

VENEREAL COMPLAINTS
A S Dr. WARNER'S practice has seen very extensive both in public and private, fully experience convinces him of the propriety of his method of removing the venereal disease, in preference to any medicine vendored or known in Baltimore. He has removed the most desperate cases with care and dispatch, after the failure of some of the ablest physicians both in Europe and America. Complaints of the urinary passages and debility thereof, from various causes and accidents, removed in the shortest possible space of time.—As there are persons from various causes cannot personally apply, it may be necessary to inform them, they may be relieved from a description of their complaint.
Dr. W. warrants a cure in all cases. Masters of vessels and travellers may have their medicines prepared that a safe, effectual and expeditious cure may be effected, without the least restriction in drink or diet.
N. B. Dr. Warner has removed from Bond-street, to Chamberland Row, No. 64, below the Marsh-market.

WHEREAS, by a decree of the High Court of Chancery of that part of Great Britain called England, made in a certain cause, wherein SOPHIA COUCH is the plaintiff, and Henry Custon Atkinson is the defendant, it was referred to John Ord, Esq. one of the masters of the said Court, to enquire whether CHARLES COUCH named in the will of Charles Couch the Elder, late of Cow lane, Smiltfield, London, Court-wainer, was living or dead; and, if dead, when he died. The said Charles Couch, therefore, if living, is pre-emptively, either by himself personally, or by his solicitor, to appear before the said master, at his Chamber in South Hampton Buildings, Chancery lane, London, on or before the sixth day of November, One Thousand Eight Hundred and Four, and prove his identity; or, in default thereof, he will be excluded the benefit of the said decree; but, in case of his death, any person who can give information to the said master as to the time and place of his decease, is requested so to do.
