Sterling Plate.
Charles L. Brehme,
No. 126, MARKET-STREET, BALTIMORE,
CONVINES to manufacture his goods of sterling silver at nearly one third less price than that which is imported. He has now in his employ several of the best workmen, some of whom have worked in the first manufactories in London, which enables him to have his work executed in the neatest and most masterly manner. From the moderate price, the elegance of his work, and the superior quality of his silver to that generally manufactured in America, he flatters himself he will secure a preference. He has just received an elegant assortment of London jewelry, consisting of gold ear rings and necklaces of various patterns, do breast pins and brooches, lockets, bracelets and finger rings, and from former importations, plated candlesticks, brackets, castors, snuffers and trays, japanned castors, urns and castors, silver and plated spectacles, silver butter and cheese knives, silver oval & bells. He has also for sale of his own manufacture, coffee and tea pots, sugar dishes, stop basons and cream ewers in sets. Also, soup table dessert, tea spoons and sugar tongs, all of which will match.
He carries on the Clock and Watch making as usual, and has also received an assortment of gold and silver watches plain capped and capped and jeweled, all of which are warranted. Also, gentlemen and ladies' watch chains, seals and keys of the newest patterns. Clocks or watches which he may be interested with to repair will be carefully executed at the shortest notice and warranted to perform well. The above will be sold at moderate prices for cash or exceptance in town at short dates.
Wanted two journeymen Silver Smith Plate Workers. Also, two or three lads about fifteen or sixteen years of age, and of good connections, will be taken as apprentices.
