

DISTRICT OF MARYLAND—TO WIT:
B. R. ...

A Magistrate's Guide,
AND OTHER PRACTICAL FORMS...

BY JOHN B. COLVIN.
PHILIP MOORE, CLK. D. C.

To the Citizens of Maryland.
THE above work has been for some time
in the press, and is in considerable
forwardness, and will be published with
all possible expedition.

I have perused it and have no hesitation
in pronouncing the utility of such a work.
The law appears to be carefully abstracted,
and the terms well chosen. It will be
found useful to magistrates and to the
people in general, and merits their patronage.

Wishing to make the book cheap, the
terms will be as follow, to wit:
I. It will be printed with a good type
on good paper, and contain above 300 pages
of text; price \$1.00.

that the community have a right to expect
that every citizen should be qualified for the
office which he fills. These two rights
should go hand in hand.

Although I have thus copiously dwelt
upon the advantages and merits of this
work, I by no means conceive that it will
be free from some few imperfections; nor
do I arrogate to myself the sole merit of
collecting the forms and precedents together.

The following letter from Judge Davall,
to whom the first eighty pages of the
work had been submitted after coming
from the press, will convey some idea of the
merits of the book—

Washington, December 27, 1854.

SIR,
I have received your letter enclosing
eighty pages of a work prepared by you, in
which you have begun a digest of those
parts of the laws of Maryland which more
frequently occur in the common transac-
tions of life, and which are therefore deemed
the most useful.

I am, with respect and esteem,
Your obedient servant,
G. CUVALL.
Mr. John B. Colvin.

VENERIAL COMPLAINTS.

A VERY extensive practice has been
very extensively both in public and pri-
vate, daily experience convinces him of the
propriety of his method of removing the
venereal disease, in preference to any medicine
vendod or known in Baltimore. He has re-
moved the most desperate cases with care and
dispatch, after the failure of some of the ablest
physicians both in Europe and America. Com-
plaints of the urinary passages and debility
thereof, from various causes and accidents,
removed in the shortest possible space of time.
—As there are persons from various causes
cannot personally apply, it may be necessary
to inform them, they may be relieved from a
description of their complaint.
Dr. W. warrants a cure in all cases. Masters
of vessels and travellers may have their medi-
cines so prepared that a safe, effectual and ex-
pedient cure may be effected, without the
least restriction in diet or rest.

Bond-street, to Cumberland Row, No. 64,
