### Accountant's Office.

THE PUBLIC are respectfully informed, that an office is now opened at No. 55, Water-street two doors from South Gay-street; where merchants and tradesmen may depend on having their Books posted and balanced with accuracy, neatness and dispatch—either by the job or year.  
It is needless to enumerate all the advantages arising from such an institution, in so populous and commercial a city as Baltimore—(many are self evident)—suffice it to observe, that, merchants or tradesmen, who do or do not keep regular accounts, may derive great benefit therefrom—the former, by having their books posted and balanced at a small expense; the latter by having their accounts regularly kept, may enjoy the satisfaction of knowing how their affairs stand—a satisfaction truly to be desired by every one engaged in business; for, it is a melancholy truth, that many an honest & industrious tradesman, hath been reduced by his neglect, carelessness or incapacity to keep his accounts correct.  
Disputed or unsettled accounts, arranged & finally adjusted.  
Charter parties, agreements, bonds, powers of attorney, &c. &c. made out; writings of every description neatly, accurately and expeditiously copied.  
Those gentlemen, who may please to patronize this institution by their support, are assured that every attention will be paid to their interest, and inviolable secrecy maintained.
