RAN AWAY

FROM the subscriber living in Alexandria, Virginia, on the 7th of July, 1865, a negro man named **LIGE**; stout made; about 5 feet 9 or 10 inches high; bow legged; black bushy hair; green sunken eyes; very much scared with the small pox; has a scar on his right cheek bone; bad countenance; fond of bad company and strong drink. He has always been used to crafting in the Chesapeake bay, & thereby accumulated much company of his own colour and description. When spoken to he is apt to stammer; much given to lying, and lastly to stealing. He was seen from the 12th to the 18th July in various parts of Baltimore with negroes, last at Fell's-Point, looking for a berth, probably on board a craft, as he was never at sea. I will give 50 dollars if taken and put in any jail, and information given me in Alexandria, or Mr. Wm. Ball of Baltimore; if brought home all expenses paid to the amount of 25 dollars, not exceeding.
REUBEN JONSTON.
Masters of vessels and others are cautioned not to harbor or employ the above fellow, at their peril.

A fresh supply of

DOCTOR COOLEY'S Vegetable Elixir, is just received and for sale by **GEORGE MARIS, Druggist**, No. 140, Market-street.
A Remedy, far exceeding every other yet used, for consumptions, asthmas, and every other species of disease to which that organ of life, the lungs, is perpetually exposed.
Complaints of the lungs have always been considered the proberbia medicinx (or reproach to the art of physic) and it has long been a desideratum in medical science, that a remedy might be devised which should check this outlet of human life. The many thousands which yearly fall a sacrifice to this insidious disease, (phthisis pulmonalis, or consumption of the lungs, has, ever since my acquaintance with diseases, which is almost thirty years) so excited my commiseration, that a large share of my time has been employed in investigating the cause and cure of it; and, from my most unremitted attention and constant research, I have the happiness to proclaim to the world, that, in my Vegetable Elixir, a speedy, safe, and effectual remedy is generally to be had. It is needless for me to dwell too long on the praises of this medicine; those who use it will be immediately convinced of its superior virtues in dispelling every distressing symptom in the complaints above enumerated; those lectical heats will in a few days be allayed, the night sweats will disappear, the cough diminishes rapidly, and the patients who, previous to the use of this medicine, were panting for breath, and fast approaching to dissolution, will find themselves resuscitated in the most unexpected manner. So wonderful has been the relief, that, to express their gratitude, frequent solicitations have been made to have their testimonials made public of the unrivalled virtues of this medicine; those who experience its benign and salutary effects by a short trial, will need no other recommendation.
It is not pretended that this medicine will cure every disease to which suffering humanity is liable, as is the case with most patent medicines; diseases which are as completely opposite as an acid and an alkali, will assert, are all to be cured by one simple remedy. Such weak impositions have with much propriety brought most patent drugs into disrepute.—But the Vegetable Elixir is calculated for one class of diseases only, viz. those to which the lungs are exposed, and I need not observe that they terminate in consumptions. The precursors or harbingers of this hitherto intractable malady, (until the discovery of the Vegetable Elixir) are spitting of blood, pains in the breast and sides, coughs, difficulty in breathing, and a great number of complaints, which slender and delicate constitutions are so frequently laboring under, which if attended to immediately on their commencement, will easily be obviated, and those in the last stages will be much alleviated, and many of them effectually cured.—Price 75 cents per bottle.
Also, for sale as above,
Doctor Cooley's Genuine ANTI-PESTILENTIAL ATTENUATING AND RESTORATIVE PILLS,
Greatly esteemed in Rheumatic and Bilious complaints—30 cents a box.
June 14

On the 2d of this month, I AVE my indentured servant, *Christian Sinter*, a permission to go and see his friends in Baltimore; he was to return on the 6th, but as he has not yet made his appearance, I conclude he means to abscond. This servant is a Hanoverian by birth, and arrived from Amsterdam in March last. He is very round shouldered, marked much by the small pox, about 5 feet 10 inches high, light hair and eyes, with a very fair complexion. He calls himself a farmer, but is quite ignorant of that occupation, and was dressed in long blue broad cloth coat, striped shirt and trousers, and half boots, the other clothes are not recollected. Whoever will deliver the above servant to *Mr. Andrew Buehman*, in Baltimore, shall receive a reward of fifteen dollars.
